DOCTOR SHOPPING IS A CRIME!

REPORT ANYONE WHO:

- willingly goes to different medical providers, with the intent to deceive, in search of a controlled substance prescription
- without disclosing to the provider they have already received one from another provider within a 30 day period, and
- either the clinical visit or the controlled substance was paid for by TennCare

TENNCARE FRAUD IS A CRIME

The Office of Inspector General (OIG) has an incentive program to provide CASH REWARDS for citizen tips leading to the criminal conviction of individuals who commit TennCare fraud.
State Law: TCA Section 71-5-2512

If you suspect TennCare fraud call
