The Department of Commerce and Insurance (TDCI) will hold an open meeting with all interested parties on Thursday, September 7, 2006 at 2:00 p.m. to receive comments regarding the Interstate Insurance Product Regulation Commission ("Interstate Commission").

TDCI is currently considering possible legislation to enable Tennessee to join the Interstate Commission which has been formed to develop uniform national standards for life insurance, annuities, disability insurance, and long-term care insurance. The Interstate Commission would establish a central filing point for approval of these insurance products. All interested parties are invited to attend this open meeting to provide comments.

For more information regarding the Interstate Commission, please go to www.insurancecompact.org.

Written comments will also be accepted and may be directed to Tony Greer, Department of Commerce and Insurance, Legal Division, 500 James Robertson Parkway, Nashville, Tennessee 37243 or email him at Tony.Greer@state.tn.us.
