WRITING ASSESSMENT
Write your final composition here.

G 14

I like a lot of things at school some more than others. I Love school sports I play football. Most of my classes are really cool. My friends are great. They are probly the most important thing in my life. These are the things I like most about school.

School sports are really good to get into. They make you keep your grade up, and stay out of trouble in school. The School sport that I play is football. football is a great way to stay in shape.

My classes are great. I like most of my teachers and some of there work. The main reason I like my classes is because I have to keep my grade up. My Math and science are my best classes, because we get to play chess.

I have lots of friends. I have friends that are cool and not so cool, but there all my friends. Friends are the main reason I come to school. Friends right now are the most important thing in my life. So they are the main reason I Like to come to school.

I like school as much as any student, but these are the main reason I like school. I play school sports and like most of my classes. I also like all my friends at school. School is cool and every think to do with it.
