Introduction.....5

Module 1: Making Sense of Number Sense

- **Creating a Numeracy-Rich Environment.....16**
  - Teaching Strategies to Build Students' Number Sense.....17
- **Subitizing and Number Representations.....23**
  - Subitizing.....23
    - Find-It Game.....23
    - On/Off Game.....24
    - Five Frames/10 Frames.....24
    - Finger Games.....24
    - Dominoes.....24
    - Subitizing Concentration Game.....24
    - Dot Cards/Plates.....24
    - Doubles.....24
    - Dot Plate Examples.....25
  - Number Representations.....27
    - Match-Me Games.....27
    - Number of the Day.....27
    - Numbers About Me.....27
    - Number Posters.....27
  - Key Idea #1.....31

Module 2: Learning Number Sense through Talking about Math

- **How Children "Think Math".....35**
  - Key Idea #2.....36
- **Number Talk Routines.....37**
  - Conducting a Number Talk.....38
  - Key Idea #3.....39
- **Using Five Frames and Ten Frames.....41**
  - Classroom Activities.....42
  - Resources.....43
  - Key Idea #4.....43

Module 3: Teaching Addition and Subtraction

- **The CRA Method of Instruction.....49**
  - Key Idea #5.....52

- **Using Think Alouds.....54**
  - The Five Practices Model.....55
  - Key Idea #6.....60
- **Addition and Subtraction Games and Activities.....62**
  - Addition
    - Guess My Number.....62
    - Covered Part.....63
    - Missing Part Cards.....63
  - Subtraction
    - Songs and Finger Plays.....65
    - Bowling.....65
    - Musical Chairs.....65

Module 4: Teaching Numbers in Base 10

- **Learning Progressions in Math.....70**
  - Key Idea #7.....72
  - Teen Number Scoot.....74
  - Key Idea #8.....75
  - Resources for Teaching Numbers in Base 10.....75
- **Instructional Tasks.....78**
  - *The Napping House* Task.....79
  - More and Less Handfuls Task.....80
  - Math Task Resources.....81
  - Task Analysis Guide.....82
  - The Seashell Collections Task.....84
  - The Four-Leaf Clover Task.....88
  - Counting Balls Task.....92
  - Sammy's Pets Task.....95
  - Math Task Template.....99

Appendix

- **5 Frames.....105**
- **10 Frames.....109**
- **Double 10 Frames.....113**
- **Math Task Template Extra Copy.....117**
- **Make a Number Poster.....120**
