

# Prioritized Needs Assessment Worksheet - 2014

This worksheet will be used by all Regional Councils to identify and prioritize two Mental Health and two Substance Abuse needs from each region. Information gathered will guide the development of the TDMHSAS Three Year Plan. Please use one worksheet per need.

1. What is the need? What data is used to establish the need?

--

2. Is the need adequately addressed in the three year plan?  
If yes, where? If no, please provide suggestions for inclusion.

--

3. What is the desired outcome?

--

4. What steps can the community and/or Regional Council take to achieve the desired outcome?

--

5. How can TDMHSAS assist the region to achieve the desired outcome?

--

6. Will the action required of TDMHSAS require additional funding? Explain:

--

7. If no additional funding is available, how might a desirable outcome be achieved?
