**ACTIVE TO INACTIVE**

The fee for changing from active to inactive status is \$25. A check or money order for that amount must accompany this form made out to: State of Tennessee.

**AFFIDAVIT**

Under Rule 0780-05-06-.06, I would request that my registration be placed in an inactive status. My current licensee number is \_\_\_\_\_. I understand that while my registration is in an inactive status, I cannot engage in the practice of soil science while in inactive status. During this period of time, I shall not represent myself as a soil scientist in Tennessee. I will pay renewal fees as appropriate.
