1. INTRODUCTION

The State of Tennessee, Central Procurement Office, hereinafter referred to as “the State,” has issued this Request for Qualifications (“RFQ”) to define mandatory goods or services requirements; solicit responses; detail response requirements; and, outline the State’s process for evaluating responses and selecting a Respondent for contract award to provide the needed goods or services.

Through this RFQ or any subsequent solicitation, the State seeks to buy the requested goods or services at the most favorable, competitive prices and to give ALL qualified businesses, including those that are owned by minorities, women, Tennessee service-disabled veterans, and small business enterprises, the opportunity to do business with the state as contractors or subcontractors.

1.1. Statement of Procurement Purpose

The State intends to award up to six (6) contracts to review applications from companies seeking to form a captive insurance company, new protected cells of existing captive insurance companies, and changes of business plans to existing captive insurance companies, and to review actuarial reports and statements of opinion in connection with captive insurance company examinations performed by the State.

The Department of Commerce and Insurance, Captive Insurance Division (the “Division”) is responsible for ensuring the solvency of captive insurance companies in Tennessee through comprehensive regulatory oversight and examination. Before receiving a license, a captive insurance company is required to file evidence of: the amount and liquidity of its assets relative to the risks to be assumed; the adequacy of the expertise, experience, and character of its manager(s); the overall soundness of its plan of operation; the adequacy of its loss prevention programs; and such other factors as the Commissioner of Commerce and Insurance (“Commissioner”) deems relevant in accordance with Tenn. Code Ann. § 56-13-103,. Tenn. Code Ann. § 56-13-404 contains additional application requirements applicable to special purpose financial captives.

In addition, Tenn. Code Ann. § 56-13-109 requires that at least once every three (3) years [which period may be extended to every five (5) years by the Commissioner, provided the captive insurance company is subject to comprehensive annual audit by independent auditors approved by the Commissioner] and whenever the Commissioner determines it to be prudent, the Commissioner shall visit each captive insurance company and thoroughly inspect and examine its affairs to ascertain its financial condition, its ability to fulfill its obligations and whether it has complied with the provisions of the law. The Commissioner may retain independent actuaries to assist in such examinations.

- 5.2. Qualification of Technical Responses: Technical Responses will be short-listed for further evaluation, analysis or negotiation if they are apparently responsive, responsible, and within the competitive range. A Technical Response will be deemed within the competitive range based on the following criterion:

Phase I: The State will evaluate the Mandatory Requirements set forth in RFQ Attachment A on a pass/fail basis.

Phase II: Following the Phase I evaluation, the State will apply a standard equitable evaluation model, which will represent a qualitative assessment of each response. Each response will be scored by Evaluation Team members according to the Technical Response & Evaluation Guides (See RFQ Attachments B & C).

The Solicitation Coordinator will total the average score from the evaluation team for each responsive and responsible Respondent's Technical Response Points for RFQ Attachments B & C to determine which of the Respondents are considered Qualified and within the competitive range of the top six (6) proposals evaluated.

- 5.2.1. Clarifications: The State may identify areas of a response that may require further clarification or areas in which it is apparent that there may have been miscommunications or misunderstandings as to the State's specifications or requirements. The State may seek to clarify those issues identified during one or multiple clarification round(s). Each clarification sought by the State may be unique to an individual respondent.
- 5.3. Evaluation Guide

The State will consider qualifications, experience and technical approach in the evaluation of responses and award points in each of the categories detailed below. The maximum evaluation points possible for each category are detailed below.

Evaluation Category	Maximum Points Possible
Mandatory Requirements (refer to RFQ Attachment A)	Pass/Fail
General Qualifications, Experience, Technical Qualifications, Experience & Approach (refer to RFQ Attachment B)	35

- 5.6.1. The Solicitation Coordinator will submit the Evaluation Team determinations and response scores to the head of the contracting agency, or the agency head's designee, for consideration along with any other relevant information that might be available and pertinent to contract award.
- 5.6.2. The contracting agency head, or the agency head's designee, will determine the six (6) apparent best-evaluated responses. (To effect contract awards to Respondents other than those receiving

the highest evaluation scores, the head of the contracting agency must provide written justification and obtain written approval of the Chief Procurement Officer and the Comptroller of the Treasury.)

- 5.6.3. The State reserves the right to make an award without further discussion of any response.
- 5.6.4. The State will issue an Evaluation Notice and make the RFQ files available for public inspection at the time and date specified in the RFQ §2, Schedule of Events.
- 5.6.5. The Respondent identified as offering the apparent best-evaluated must sign a contract drawn by the State pursuant to this RFQ. The contract shall be substantially the same as the RFQ Attachment G, pro forma contract. The Respondent must sign said contract no later than the Respondent Contract Signature Deadline detailed in RFQ § 2, Schedule of Events. If the Respondent fails to provide the signed contract by the deadline, the State may determine the Respondent is non-responsive to this RFQ and reject the response.
- 5.6.6. Notwithstanding the foregoing, the State may, at its sole discretion, entertain limited negotiation prior to contract signing and, as a result, revise the pro forma contract terms and conditions or performance requirements in the State's best interests, PROVIDED THAT such revision of terms and conditions or performance requirements shall NOT materially affect the basis of response evaluation or negatively impact the competitive nature of the RFQ and vendor selection process.
