## 1. INTRODUCTION

---

The State of Tennessee Real Estate Asset Management (“STREAM”), an agency of the State of Tennessee, hereinafter referred to as “the Owner” or “the State,” has issued this Request for Qualifications (“RFQ”) to define the State’s minimum service requirements; solicit responses; detail response requirements; and, outline the State’s process for evaluating responses and selecting a Contractor using the Best Value Procurement Option One (“BV1”).

Through this RFQ, the State seeks to contract for the requested services and to give ALL qualified businesses, including those that are owned by minorities, women, Tennessee service-disabled veterans, and small business enterprises, opportunity to do business with the State as contractors and subcontractors.

Tennessee statutes (T.C.A. 4-15-101, et. seq.) empower the State Building Commission (“SBC”) to award, subject to the approval of the SBC, construction contracts for the improvement to real property for the State of Tennessee. The Commission shall follow the “competitive sealed best value procedure” as herein described, in order to achieve maximum competition among qualified Respondents and to obtain the highest level of quality at the best price for State projects “utilizing procedures that promote competition to the greatest extent possible”.

A site visit will not be held as a part of the qualifications process, but prospective Respondents are welcome to visit the site on their own. A formal site visit, if any, will be conducted as a part of the bidding process at a later date.

### 1.1. **Statement of Procurement Purpose and Current Project Status**

This project consists of replacing an existing standing seam metal roof system over the entire building, repairing damage to brick veneer caused by expansion and contraction, installation of new expansion joints in the veneer, and repairing cracks in interior concrete masonry units caused by expansion and contraction. Interior walls that require repairs will also be repainted. **Five (5)** Technical Response paper documents labeled:

**“RFQ SBC 361/013-01-2015 TECHNICAL RESPONSE COPIES”**

AND

**One (1)** copy of the Technical Response in the form of one (1) digital document in “PDF” format properly recorded on its own otherwise blank, standard CD-R recordable disc labeled:

**“RFQ SBC 361/013-01-2015 QUALIFICATIONS SUBMITTAL COPY”**

Any discrepancies between the paper response document and digital copies may result in the State rejecting the response as nonresponsive. The original, signed paper document will take precedence.

3.4.3. A Respondent must separate, seal, package, and label the documents and discs for delivery as follows.

3.4.3.1. The Technical Response original document and copy disc(s) must be placed in a sealed package that is clearly labeled:

**“DO NOT OPEN... RFQ SBC 361/013-01-2015 TECHNICAL RESPONSE FROM [PROPOSER LEGAL ENTITY NAME]”**

3.4.3.2. The Response Package Cover Attachment (RFQ Attachment 6.3.a.) must be completely filled in with all pertinent information and affixed to the outermost container of the Technical Response.

- 3.5. **Response & Respondent Prohibitions:** A response to this RFQ should not:
- 3.5.1. A Respondent shall not include the Respondent's own contract terms and conditions. If a Respondent contains such terms and conditions, the State, at its sole discretion, may determine the proposal to be a non-responsive counter offer and reject it.
  - 3.5.2. A Respondent shall not restrict the rights of the State or otherwise qualify either the offer to deliver services as required by this RFQ. If a proposal restricts the rights of the State or otherwise qualifies either the offer to deliver services as required by this RFQ, the State, at its sole discretion, may determine the proposal to be a non-responsive counteroffer and reject it.
  - 3.5.3. A Respondent shall not propose alternate services (*i.e.*, offer services different from those requested and required by this RFQ). The State may consider a proposal of alternate services to be non-responsive and reject it.
  - 3.5.4. A Respondent shall not provide, for consideration in this RFQ process or subsequent contract negotiations, incorrect information that the Respondent knew or should have known was materially incorrect. If the State determines that a Respondent has provided such incorrect information, the State may deem the Respondent's proposal non-responsive and reject it.
  - 3.5.5. A Respondent shall not submit more than one Proposal in response to this RFQ. If a Respondent submits more than one Proposal, the State may deem all of the proposals non-responsive and reject them.
  - 3.5.6. A Respondent shall not submit a proposal as a prime contractor while also permitting one or more other Respondents to offer the Respondent as a subcontractor in their own proposals. Such may result in the disqualification of all Respondents knowingly involved. This restriction does not, however, prohibit different Respondents from offering the same subcontractor as a part of their proposals (provided that the subcontractor does not also submit a proposal as a prime contractor).
  - 3.5.7. A Respondent must not be (and the State will not award a contract to):
    - a. an individual who is, or within the past six months has been, an employee of the State of Tennessee or who is a volunteer member of a State board or commission that votes for, lets out, overlooks, or any manner superintends the services being procured in this RFQ;
    - b. a company, corporation, or any other contracting entity in which an ownership of two percent (2%) or more is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee (this will not apply either to financial interests that have been placed into a "blind trust" arrangement pursuant to which the employee does not have knowledge of the retention or disposition of such interests or to the ownership of publicly traded stocks or bonds where such ownership constitutes less than 2% of the total outstanding amount of the stocks or bonds of the issuing entity);
    - c. a company, corporation, or any other contracting entity which employs an individual who is, or within the past six months has been, an employee of the State of Tennessee in a position that would allow the direct or indirect use or disclosure of information, which was obtained through or in connection with his or her employment and not made available to the general public, for the purpose of furthering the private interest or personal profit of any person; or,
    - d. any individual, company, or other entity involved in assisting the State in the development, formulation, or drafting of this RFQ or its scope of services (such person or entity being deemed by the Owner as having information that would afford an unfair advantage over other Respondents).

For the purposes of applying the requirements of this RFQ subsection 3.3.7., the State will deem an individual to be an employee of the State of Tennessee until such time as all compensation for salary, termination pay, and annual leave has been paid, but the term “employee of the State of Tennessee” shall not include individuals performing volunteer services for the State of Tennessee.

**3.6. Conflict of Interest**

3.6.1. This RFQ is also subject to *Tennessee Code Annotated*, Section 12-4-101.

3.6.2. This RFQ is also subject to State Building Commission Policy and Procedure 12.02, and the Duties and Obligations of the State are subject to Policy 12.02.

**3.7. Response Errors & Revisions**

A Respondent is responsible for any and all errors or omissions in its response to this RFQ. A Respondent will not be allowed to alter or revise its response after the Response Deadline time and dates as detailed in RFQ § 2, Schedule of Events, unless such is formally requested in writing by the State (e.g., through a request for clarification, etc.).

**3.8. Response Withdrawal**

A Respondent may withdraw a response at any time before the Response Deadline time and date as detailed in RFQ § 2, Schedule of Events, by submitting a written signed request by an authorized representative of the Respondent. After withdrawing a response, a Respondent may submit another Response at any time before the Response Deadline time and date as detailed in RFQ § 2, Schedule of Events.

**3.9. Response Preparation Costs**

The State will not pay any costs associated with the preparation, submittal, or presentation of any response. Each Respondent is solely responsible for the costs it incurs in responding to this RFQ.

## **4. GENERAL CONTRACTING INFORMATION & REQUIREMENTS**

---

### **4.1. RFQ Amendment**

The State reserves the right to amend this RFQ at any time, provided that it is amended in writing. However, prior to any such amendment, the State will consider whether it would negatively impact the ability of potential respondents to meet the deadlines and revise the RFQ Schedule of Events if deemed appropriate. If a RFQ amendment is issued, the State will convey it to potential respondents who submitted a Notice of Intent to Respond (refer to RFQ § 1). A response must respond, as required, to the final RFQ (including its attachments) as may be amended.

### **4.2. RFQ Cancellation**

The State reserves the right, at its sole discretion, to cancel the RFQ or to cancel and reissue this RFQ in accordance with applicable laws and regulations.

### **4.3. State Right of Rejection**

4.3.1. Subject to applicable laws and regulations, the State reserves the right to reject, at its sole discretion, any and all responses.

4.3.2. The State may deem as non-responsive and reject any response that does not comply with all terms, conditions, and performance requirements of this RFQ. Notwithstanding the foregoing, the State reserves the right to waive, at its sole discretion, minor variances from full compliance with this RFQ. If the State waives variances in a response, such waiver shall not modify the RFQ requirements or excuse the Respondent from full compliance, and the State may hold any resulting Contractor to strict compliance with this RFQ.

### **4.4. Assignment & Subcontracting**

The Contractor may not subcontract, transfer, or assign any portion of the Contract awarded as a result of this RFQ without prior approval of the State. The State reserves the right to refuse approval, at its sole discretion, of any subcontract, transfer, or assignment.

### **4.5. Insurance**

The State will require the apparent successful Respondent to provide proof of insurance coverage as required by the Owner's Designers' Manual (Conditions of the Contract) before entering into a contract. Refer to Article 11 of the General Conditions of the Contract for Construction and any Supplementary Conditions (RFQ Attachment 6.6). Failure to provide evidence of such insurance coverage is a material breach and grounds for termination of the contract negotiations. Any insurance required by the State shall be in form and substance acceptable to the State.

### **4.6. Professional Licensure and Department of Revenue Registration**

4.6.1. Respondents shall be familiar with the Contractors Licensing Act of 1994, as currently amended (codified in Tennessee Code Annotated Sections 62-6-101, et seq). A contract will not be awarded to a Respondent whose proposal is in conflict with the State of Tennessee licensing law.

4.6.2. A Respondent shall be a licensed Contractor in the State of Tennessee. Appropriate Tennessee Contractor License(s) are required, and demonstration of current licensure in the State of Tennessee is a mandatory part of the proposal submission. The Contractor must maintain licensure during the period of this Contract, and shall notify the State of any changes in licensure.

4.6.3. Before the response to this RFQ is submitted, the apparent successful Respondent (and Respondent employees and subcontractors, as applicable) must hold all necessary, appropriate

business and professional licenses to provide service as required. The Owner may require any Respondent to submit evidence of proper licensure.

- 4.6.4. Respondent shall complete the Response Package Cover Sheet, RFQ Attachment 6.4.a., which is to be affixed to the outermost container of the response package. The dollar limit on the license must be sufficient to support the preliminary estimated construction cost for this Project (Refer to RFQ § 1.4.).
- 4.6.5. Before the Contract resulting from this RFQ is signed, the apparent successful Respondent must be registered with the Tennessee Department of Revenue for the collection of Tennessee sales and use tax. The State shall not award a contract unless the Respondent provides proof of such registration or provides documentation from the Department of Revenue that the Contractor is exempt from this registration requirement. The foregoing is a mandatory requirement of an award of a contract pursuant to this solicitation. For purposes of this registration requirement, the Department of Revenue may be contacted at: TN.Revenue@tn.gov.

#### 4.7. **Disclosure of Response Contents**

- 4.7.1. All materials submitted to the State in response to this RFQ shall become the property of the State of Tennessee. Selection or rejection of a response does not affect this right. By submitting a response, a Respondent acknowledges and accepts that the full response contents and associated documents will become open to public inspection in accordance with the laws of the State of Tennessee.
- 4.7.2. The State will hold all response information, including both technical and cost information, in confidence during the evaluation process. Notwithstanding the foregoing, a list of actual Respondents submitting timely responses may be available to the public, upon request, after technical responses are opened.
- 4.7.3. Upon completion of response evaluations, indicated by public release of a Notice of Intent to Award, the responses and associated materials will be open for review by the public in accordance with *Tennessee Code Annotated*, Section 10-7-504(a)(7).

#### 4.8. **Contract Approval and Contract Payments**

- 4.8.1. The State shall not be liable for payment of any type associated with the Contract resulting from this RFQ (or any amendment thereof) or responsible for any work done by the Contractor, even work done in good faith and even if the Contractor is orally directed to proceed with the delivery of services, if it occurs before the Contract start date or after the Contract end date.
- 4.8.2. All payments relating to this procurement will be made in accordance with the Payment Terms and Conditions of the Contract resulting from this RFQ.
- 4.8.3. If any provision of the Contract provides direct funding or reimbursement for the competitive purchase of services or items to be delivered to the State as a component of contract performance or otherwise provides for the reimbursement of specified, actual costs, the State will employ all reasonable means and will require all such documentation that it deems necessary to ensure that such purchases were competitive and costs were reasonable, necessary, and actual. The Contractor shall provide reasonable assistance and access related to such review. Further, the Owner shall not remit, as funding or reimbursement pursuant to such provisions, any amount(s) which it determines did not result from a reasonably competitive purchase or do not represent reasonable, necessary, and actual costs.

#### 4.9. **Severability**

If any provision of this RFQ is declared by a court to be illegal or in conflict with any law, said decision will not affect the validity of the remaining RFQ terms and provisions, and the rights and obligations of the State and Respondents will be construed and enforced as if the RFQ did not contain the particular provision held to be invalid.

#### 4.10. **Joint Ventures**

Firms submitting Qualification Statements as a Joint Venture must file a statement of partnership authority with the Tennessee Secretary of State's office in compliance with Tenn. Code Ann. § 61-1-303 as well as have similar projects completed as the Joint Venture.

If a Respondent intends to submit a Proposal as a joint venture, then the following requirements shall apply:

- a. For the purposes of this RFQ, the Owner recognizes a joint venture as separate organizations or business entities that intend to combine professional or technical expertise and business experience, and to share contractual and project responsibilities in performance of a contract pursuant to this RFQ;
- b. The joint venture shall meet the licensure requirements stated in the RFQ; or each joint venture participant shall meet the licensure requirements stated in the RFQ;
- c. The joint venture shall meet the insurance requirements stated in the RFQ, or each joint venture participant shall meet the insurance requirements stated in this RFQ;
- d. Each joint venture participant shall individually provide all documentation required for review of financial responsibility and stability. A sub-contractor to a Respondent is not a joint venture participant.

## 5. PROCUREMENT PROCESS & CONTRACT AWARD

### 5.1. Evaluation Categories & Maximum Points

5.1.1. The evaluation process is designed to determine those Qualifications Submittal Documents having the highest total scores. The RFQ Coordinator will use RFQ Attachment 6.2., Qualifications & Submittal Guide, to manage the evaluation and maintain evaluation records.

The RFQ Coordinator will review each Qualifications Submittal to determine compliance with RFQ requirements (refer to RFQ Attachment 6.2.). If the RFQ Coordinator determines that submitted documents may have failed to meet one or more of the RFQ requirements, the Evaluation Team (made up of three (3) or more State of Tennessee employees) will review the submitted documents and record its determination of whether; 1) the Qualifications Submittal meets requirements for further evaluation; 2) the Owner will request clarifications or corrections; or, 3) the owner will determine the Qualifications Submittal as non-responsive to the RFQ and reject it.

The Owner will consider qualifications, experience and approach, in the evaluation of proposal. The maximum points that may be awarded for each of these categories are detailed below.

Each category is weighted as follows and one hundred (100) points is the maximum total number of points which may be awarded:

EVALUATION CATEGORY	MAXIMUM POINTS POSSIBLE
<b>General Business Requirements</b> (refer to RFQ Attachment 6.2., Section A)	<b>Pass/Fail</b>
<b>Qualifications &amp; Experience</b> (refer to RFQ Attachment 6.2., Section B)	<b>50</b>
<b>Project Approach</b> (refer to RFQ Attachment 6.2., Sections C)	<b>50</b>

5.1.2. This competitive Best Value Type 1 selection process is separated into two parts: a Qualifications submittal (containing Qualifications, Experience, and Project Approach) and a bid.

**Part One:** Qualifications Submittal documents must attain a combined normalized minimum score of **seventy-five (75)** points for a Contractor to be offered opportunity to bid.

**Part Two:** Bids will only be considered for those Contractor's invited to submit bids.

5.1.3. Contractors invited to submit bids may be limited to the three (3) highest scoring Qualifications submittals in Part One, who's Qualifications have attained the normalized minimum combined score of **seventy-five (75)** points.
