THE WORKERS' COMPENSATION LOSS COST)
FILING FILED BY THE NATIONAL COUNCIL)
ON COMPENSATION INSURANCE)

ORDER APPROVING WORKERS' COMPENSATION LOSS COST FILING

This matter came to be considered as required by TENN. CODE ANN. § 50-6-402(b), which provides that “[b]efore approving any workers’ compensation loss cost filing made by the designated rate service organization pursuant to this part or title 56, the commissioner of commerce and insurance shall consult with the advisory council on workers’ compensation concerning such filing.” The statute further requires the Commissioner of Commerce and Insurance (“Commissioner”) to approve, disapprove or modify the filing within ninety (90) days of the Commissioner receiving the filing.

On August 25, 2009, the National Council on Compensation Insurance (“NCCI”) filed with the Commissioner a request for approval of an overall loss cost change of -0.1% in the workers’ compensation loss cost filing. The filing would take effect on March 1, 2010. The filing was forwarded to the Advisory Council on Workers’ Compensation (“Advisory Council”) on August 25, 2009. The Advisory Council, pursuant to TENN. CODE ANN. § 50-6-402(b), has sixty (60) days to provide written comment on the filing. Through a letter dated October 22, 2009, the Advisory Council “unanimously recommend[s] adoption of the -0.1% change in loss costs filed by the National Council on Compensation Insurance to become effective on March 1, 2010 for the voluntary market”.

Accordingly, it is the determination of the Commissioner of Commerce and Insurance that the workers' compensation loss cost filing filed by the NCCI on August 25, 2009, be **APPROVED.**

It is so **ORDERED.**

ENTERED this 27th day of October, 2009.
