STUDENT MEETINGS

Schools may allow students to form clubs or groups that meet before, during, and/or after the school day. Requests to form such clubs or groups shall not be denied based upon the religious nature or beliefs of proposed club or group. If permitted, school administrators shall ensure that all clubs and groups have the same abilities to access facilities and advertise their meetings.¹

No funds shall be expended by the school for any such meeting beyond the incidental costs associated with providing meeting space. Groups meeting under this policy may be required to pay a reasonable fee for compensating school personnel in the supervision of the activity.

No student may be compelled to attend or participate in a meeting under this policy.

A student or a group of students who wish to conduct a meeting under this policy shall submit a request with the principal at least three (3) days prior to the proposed date.

The principal shall approve the meeting if he/she determines that:¹

1. The meeting is voluntary and student-initiated;
2. There is no sponsorship of the meeting or its content by the school or its employees, or the Achievement School District;
3. The meeting shall not materially and substantially interfere with the orderly conduct of the school’s educational activities or conflict with other previously scheduled meetings;
4. Employees of the Achievement School District are to be present in a non-participatory monitoring capacity; however, no employee shall be required to attend in this capacity if the content of the meeting is contrary to the beliefs of the employee; and
5. Non-school persons shall not direct, control, or regularly attend.

A student shall be permitted to voluntarily:²

1. Pray in school, vocally or silently, alone, or with other students to the same extent and under the same circumstances as a student is permitted to vocally or silently reflect, meditate, or speak on non-religious matters alone or with other students in such school;
2. Express religious viewpoints in school to the same extent and under the same circumstances as a student is permitted to express viewpoints on non-religious topics or subjects in such school;

4. Possess or distribute religious literature in school, subject to reasonable time, place, and manner restrictions, to the same extent and under the same circumstances as a student is permitted to possess or distribute literature on non-religious topics or subjects in such school.

SCHOOL SPONSORED EVENTS³

If the Achievement School District or a school principal authorizes an event at which a student is to speak, a limited public forum shall be established for such student speaker. The appropriate administrators shall ensure that:

1. The forum is provided in a manner that does not discriminate against a student's voluntary expression of a religious viewpoint, if any, on an otherwise permissible subject;
2. There is an appropriate method of selecting student speakers which is based on neutral criteria; and
3. Student speakers do not engage in speech that is obscene, vulgar, offensively lewd, indecent, or promotes illegal drug use.

To the extent possible and practical and prior to events in which students will speak, notice shall be provided orally and/or in writing that the student's speech does not reflect the endorsement, sponsorship, position, or expression of the Tennessee Department of Education or the Achievement School District and its employees.

Notice of this policy shall be provided in student handbooks and staff handbooks.
