

Tennessee Governor's Management Fellowship

What is the Fellowship?

The Governor's Management Fellowship is a prestigious, highly competitive two-year fellowship awarded to top applicants who wish to serve and learn with Tennessee's top executives. This non-partisan program is open to recent college graduates who demonstrate outstanding academic achievement, leadership, and a passion for service.

The Fellowship will begin in August of 2024 within Customer Focused Government (CFG), a division of the Governor's Office dedicated to providing impactful consulting services to state agencies that result in more effective and efficient services. In line with the mission of CFG, Fellows will work on initiatives that improve customer service and reduce operating costs.

Fellows will coordinate with agencies and work closely with departmental leadership to identify opportunities for impactful projects emphasizing the improvement of state operations.

Job Highlights:

Base Salary: \$55,000 (*Pay for Performance eligible*)

Location: Nashville, TN

Start Date: August 2024

Benefits: Competitive benefits package including tuition wavier & flexible work locations
