Tax credits will not be applied until January 1, 2012

The amount of capital received by each TNInvestco from the insurance companies purchasing tax credits may vary per TNInvestco depending on the actual amount paid by the insurance companies, associated fees, and timing of receipt of cash from the insurance companies. Please note, each TNInvestco group will receive at least \$14M from the sale of tax credits. The remaining uninvested designated capital is net of administrative, professional, and startup fees related to operating each firm.

*Companies located outside of Tennessee who agree to accept TNInvestco funding will relocate to the state of Tennessee within one year of closing the deal.
