

InformTN Timeline 2024-25

Key Dates for District and School Planning

Each year, districts and schools are required to conduct a needs assessment and develop an annual plan outlining goals and strategies to improve student outcomes. Strong district and school plans support the creation and implementation of a coherent theory of action for improving student performance. The timeline below outlines key dates for the 2024-25 annual planning window within InformTN.

Please note the timeline for resubmitting plans once feedback from reviewers is received. These windows are necessary to ensure the department can approve all plans by April 15, 2024.
