Re: Class Size Waiver at North Elementary for the 2023-24 School Year

Dear Director Durley:

I am in receipt of your August 14, 2023 request for a waiver of the class size average for K-3 classes found in Tenn. Code Ann. § 49-1-104 for North Elementary School in Grundy County Schools.

The commissioner's waiver authority under Tenn. Code Ann. § 49-1-201(d) is limited by Tenn. Code Ann. § 49-1-104(a), which states that "neither the commissioner nor the state board of education shall grant waivers from the maximum class sizes established in this section."

With the understanding that none of the K-3 classes at North Elementary will exceed 25, the maximum number of students per class specified in the above referenced statute, your request for a waiver of the class size average is granted for the 2023-24 school year.

Please do not hesitate to call me if you have further questions.

Sincerely,

Lizzette Reynolds
Commissioner

ED5535 1 RDA Pending Please list the statute(s) and/or state board rule(s) for which waiver is being requested:

TCA 49-1-104 states that class average of K-3 shall not exceed 20. As of August 11, 2023, the class average of K-3 at North Elementary is 20.7. K-3 classes at North do not exceed 25 students which is the maximum.

Explanation of how the statute(s) and/or state board rule(s) inhibits or hinders the local education agency's ability to meet its goals or comply with its mission:

The Grundy County School System has witnessed an increase in the number of student in our district. This is in part to families moving into our county and the closure of one of our elementary schools. Due to the lack of teacher candidates, we feel it is better to be over the average, and students be placed with a highly qualified teacher.

Expected duration of the condition necessitating this waiver request:

The expected duration of the class average waiver request is for the 2023/2024 school year.
