

School Letter Grades Working Group

Meeting #3: Growth

1. What measures should be included in the growth indicator?
 - a. School Wide TVAAS only?
 - b. School Wide TVAAS plus other measures?
 - i. Growth of lowest performing students in each school?
 - ii. Subgroup growth?
 - iii. Other?
2. If multiple measures identified within growth indicator, how should they be weighted within the growth indicator?
3. How should letter grades be applied to the resulting overall growth measure?
