Greater Faith Tabernacle COGIC ISC School and Nursery
905 East Shelby Drive
Memphis, Tennessee 38116-7008

Dear Ms. Johnson,

The Department of Human Services (DHS) - Division of Audit Services staff conducted an unannounced on-site monitoring review of the Child and Adult Care Food Program (CACFP) at Greater Faith Tabernacle COGIC ISC School and Nursery (Sponsor), Application Agreement number 00323, on February 6, 2019. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, provider agreement, and applicable Federal and State regulations.

Based on our review of the Sponsor's records and information provided, the Sponsor had two feeding sites operating during the review period. The Institute for Success Christian School was selected as the sample feeding site.

Attendance, applications, and enrollment forms were also reviewed at the Institute for Success Christian Nursery site.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper, and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) for reimbursement.

We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a lunch meal service at Institute for Success Christian School on November 7, 2018.

Our review of the Sponsor's records for November 2018 disclosed the following:

1. The Sponsor reported the number of participants in the free and paid categories incorrectly

Condition

Based on our review of the Claim for Reimbursement for November 2018, we noted that the Sponsor reported 23 participants in the free category, one (1) participant in the reduced-price category, and three (3) participants in the paid category. However, based on our review of the available records, we determined that there were 22 participants in the free category, one (1) participant in the reduced-price category, and four (4) participants in the paid category.

The difference was based on the following:

There was one (1) participant at the Institute for Success Christian Nursery feeding site who was correctly classified as paid on their application. However, the participant was claimed in the free category. This participant was reclassified as paid.

As a result, the Sponsor over reported the number of participants in the free category by one (1) and under reported the number of participants in the paid category by one (1).

This is a repeat finding from a previous report dated March 15, 2016.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim ..."

Title 7 of the Code of Federal Regulations, Section 226.17(b)(8) states, in part, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). ..."

Recommendation

The Sponsor should ensure that each participant is classified and reported accurately based on categorical or income eligibility.

2. The Sponsor did not provide enrollment information for one participant

Condition

During our monitoring visit on February 6, 2019, enrollment information was not on file for one participant.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(8) states, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). ..."

The USDA policy memorandum, CACFP 15-2013 Existing Flexibilities in the Child and Adult

Care Food Program states, “CACFP regulations require that institutions maintain documentation for participants enrolled to receive care [7 CFR 226.15(e)(2) and (e)(3)]. Documentation of participant’s enrollment must include information on normal days and hours of care and the meals the participant normally receives while in care....”

Recommendation

The Sponsor should ensure that all enrollment information is collected as required and updated annually.

3. The Sponsor reported the number of attendance days incorrectly

Condition

Based on our review of the Claim for Reimbursement for November 2018, the Sponsor reported 513 participant days. However, we noted that there were 398 participant days. The difference is based on the following:

- Institute for Success Christian School reported 209 attendance days. However, our review of the Sponsor’s records verified 185 attendance days.
- Institute for Success Christian Nursery reported 304 attendance days. However, our review of the Sponsor’s records verified 213.

The Sponsor over reported the number of attendance days by 115.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, “...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim.”

Recommendation

The Sponsor should ensure that all participants are recorded as present only for their actual days of attendance.

4. The Sponsor reported the number of participant days incorrectly

Condition

Based on our review of the Claim for Reimbursement for November 2018, the Sponsor reported 19 participant days. However, we found there were 18 participant days.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, “...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim.”

Recommendation

The Sponsor should ensure that all participant days are recorded and reported accurately.

5. The Sponsor served meals outside of the approved serving time

Condition

Institute for Success Christian School – *sample feeding site*

During our on-site monitoring visit on November 7, 2018, an observed lunch meal was served outside of the TIPS approved time. The meal service was approved in TIPS to be served from 11:45 am to 12:30 pm. The monitor arrived at 11:30 am and the lunch had already been served.

Note: We informed the Sponsor the meals for this day would not be eligible for reimbursement. No meals are disallowed due to the Sponsor claiming zero meals for the day.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(4) states, “Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20....”

Title 7 of the Code of Federal Regulations, Section 226.17(b)(9) states, “Each child care center must maintain daily records of time of service meal counts by type (breakfast, lunch, supper, and snacks) served to enrolled children, and to adults performing labor necessary to the food service.”

Recommendation

The Sponsor should ensure that meals are served during the approved feeding site time.

6. The Sponsor provided a meal that did not meet the USDA meal pattern requirements during an observed meal

Condition

Institute for Success Christian School – *sample center*

We observed a lunch meal service, on November 7, 2018. The Sponsor served Burger King chicken nuggets, fries and milk. The meal did not include a second fruit or vegetable. Additionally, the chicken nuggets are not CN labeled.

Note: We informed the Sponsor the meals for this day would not be eligible for reimbursement. No meals are disallowed due to the Sponsor claiming zero meals for the day.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(4) states, “Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20...”

Title 7 of the Code of Federal Regulations, Section 226.20(c)(2) states, “Fluid milk, meat and meat alternatives, vegetable, fruits, and grains are required components in the lunch and supper

meals.”

The USDA Crediting Foods in the Child and Adult Care Food Program, page 62, states, “... Because of the uncertainty of the actual amount of meat/meat alternate contained in these products, they should not be used unless (1) they are CN-labeled; or (2) you obtain a Product Formulation Statement signed by an official of the manufacturer (not a salesperson) that shows how the crediting has been determined....”

Recommendation

The Sponsor should ensure that menus meet the USDA meal pattern requirements.

7. The Sponsor did not complete monitoring of its feeding sites as required

Condition

Monitoring forms were requested for both feeding sites operated by the Sponsor. The Sponsor stated the sites are visited weekly. However, the Sponsor stated she was unaware of the requirement to document the visits.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.16(d)(4)(ii) states, “Reviews must examine the meal counts recorded by the facility for five consecutive days during the current and/or prior claiming period....”

Title 7 of the Code of Federal Regulations, Section 226.16(d)(4)(iii) states, “Sponsoring organizations must review each facility three times each year, except as described in paragraph (d)(4)(iv) of this section. In addition: (A) At least two of the three reviews must be unannounced; (B) At least one unannounced review must include observation of a meal service; (C) At least one review must be made during each new facility's first four weeks of Program operations; and (D) Not more than six months may elapse between reviews.”

Recommendation

The Sponsor should ensure that the required monitoring is documented and completed timely.

8. The Sponsor did not provide annual training documentation as required

Condition

During our review, we requested documentation to show that the Sponsor provided training to the staff involved with the CACFP. The Sponsor provided documentation of CACFP training dated July 10, 2018, but the documentation provided did not list the name of participants who attended.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.15(e) states, “... At a minimum, the following records shall be collected and maintained: (12) Information on training session date(s) and location(s), as well as topics presented and names of participants; and (14)... records documenting the attendance at annual training of each staff member with monitoring

responsibilities. Training must include instruction, appropriate to the level of staff experience and duties, on the Program's meal patterns, meal counts, claims submission and claim review procedures, recordkeeping requirements, and an explanation of the Program's reimbursement system."

The USDA Monitoring Handbook for State Agencies, page 30, states, "Training must include instructions, appropriate to the level of staff experience and duties, on the Program's meal patterns, meal counts, claims submission and claim review procedures, recordkeeping requirements, and an explanation of the Program's reimbursement system and adherence with civil rights requirements."

Recommendation

The Sponsor should ensure that the required training is documented, completed annually and that all employees involved in CACFP are provided training.

Technical Assistance Provided

Technical assistance was provided to the Sponsor regarding monitoring and recordkeeping requirements, as well as meal pattern requirements.

Disallowed Meals Cost

The disallowed meals cost associated with the findings above is below the DHS threshold for repayment.

APPEAL PROCEDURES FOR CHILD AND ADULT CARE INSTITUTIONS AND SPONSORING AGENCIES

Appeal Procedures

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. 17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA).
