DANIELLE W. BARNES
COMMISSIONER

February 24, 2020

Ms. Patricia Roe, Board Chairman
Cumberland Child Development Center
300 Tennessee Street
Savannah, Tennessee 38372-1962

Dear Ms. Roe,

The Department of Human Services (DHS) - Division of Audit Services staff conducted an unannounced on-site monitoring review of the Child and Adult Care Food Program (CACFP) at Cumberland Child Development Center (Sponsor), Application Agreement number 00235, on January 9, 2020. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, provider agreement, and applicable Federal and State regulations.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper, and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) for reimbursement.

We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a lunch meal service on November 18, 2019.

Our review of the Sponsor's records for November 2019 disclosed the following:

- 1. The Sponsor reported the number of participants in the free, reduced-price, and paid categories incorrectly**

Condition

Based on our review of the Claim for Reimbursement for the test month, we noted that the Sponsor reported 26 participants in the free category, zero participants in the reduced-price category, and 21 participants in the paid category. However, based on our review of the

records available, we noted that there were 18 participants in the free category, one participant in the reduced-price category, and 28 participants in the paid category.

The differences were based on the following:

- There was one participant reported in the free category who did not have an application on file. This participant was reclassified to paid.
- There were seven participants reported in the free category, but the application on file did not have the determining official's signature and/or date. These seven participants were reclassified as paid.
- There was one participant reported in the paid category that was determined to be eligible for reduced-price. This participant was reclassified to reduced-price.

As a result, the Sponsor overreported the number of participants in the free category by eight, under reported the reduced-price category by one, and under reported the paid category by seven.

This is a repeat finding from a previous report dated March 10, 2017.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim ..."

Title 7 of the Code of Federal Regulations, Section 226.15(e)(2) states, "...All types of centers, except for emergency shelters and at-risk afterschool care centers, must maintain information used to determine eligibility for free or reduced-price meals in accordance with §226.23(e)(1). For child care centers, such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

Title 7 of the Code of Federal Regulations, Section 226.17(b)(8) states, in part, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). ..."

Recommendation

The Sponsor should maintain all information used to determine eligibility and ensure that each participant is classified and reported accurately based on categorical or income eligibility.

2. The Sponsor reported meal counts incorrectly

Condition

During our lunch meal observation on November 18, 2019, we requested meal count documentation from the first operating day of the month through the meal observation date. We also requested the meal count documentation for the entire month during our Sponsor review on January 9, 2020. The meal counts revealed discrepancies. When asked the reason for the

discrepancy, the Sponsor explained that meal counts are changed at the end of the month based on attendance. However, meal counts must be taken daily and based on actual meal served and not on attendance. As a result, we used the meal counts initially provided by the Sponsor on November 18, 2019 for meals from November 1st through the meal observation date. Meal counts provided during the Sponsor review on January 9, 2020 were used for the remainder of the month. The deficiencies were as follows:

The Claim for Reimbursement for the test month has 625 breakfast meals, 650 lunch meals, and 648 pm supplements. However, our review of the Sponsor records verified 614 breakfast meals, 640 lunch meals and 642 pm supplements. The Sponsor overreported the number of breakfast meals by 11, lunch meals by 10, and pm supplements by 6.

As a result, 11 breakfast meals, 10 lunch meals and 6 pm supplements claimed for reimbursement were disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...."

Title 7 of the Code of Federal Regulations, Section 226.15(e) states, "Each institution shall establish procedures to collect and maintain all program records required under this part, as well as any records required by the State agency. Failure to maintain such records shall be grounds for the denial of the reimbursement for meals served during the period covered by the records in question and for the denial of reimbursement for costs associated with such records. At a minimum, the following records shall be collected and maintained... (4) Daily records indicating the number of participants in attendance and the daily meal counts, by type (breakfast, lunch, supper, and snacks), served to family day care home participants, or the time of service meal counts, by type (breakfast, lunch, supper, and snacks), served to center participants..."

Title 7 of the Code of Federal Regulations, Section 226.17(b)(9) states, "Each child care center must maintain daily records of time of service meal counts by type (breakfast, lunch, supper, and snacks) served to enrolled children, and to adults performing labor necessary to the food service."

Recommendation

The Sponsor should ensure that claims for reimbursement are completed correctly and based on accurate supporting documents.

3. The Sponsor reported the number of meals from an observed meal service incorrectly

Condition

During our on-site visit on November 18, 2019, we observed 31 lunch meals served. However, the Sponsor claimed 30 lunch meals for reimbursement.

As a result, one lunch meal was not claimed for reimbursement.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "... In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...."

Recommendation

The Sponsor should ensure meals reported agree with the actual meals served during the approved meal service time.

4. The Sponsor served a yogurt that did not meet the USDA meal component requirements

Condition

Based on our review of the menus for infants ages 6-11 months provided by the Sponsor, the menus were not in accordance with the USDA meal pattern requirements as follows:

According to the menus and label provided, the yogurt served on November 1st, 4th, 6th, 11th, 15th, 18th, 20th and 25th contains too much sugar. This yogurt contains 26 grams of sugar per 6 ounce (170 g) serving. This serving size cannot exceed 23 grams of sugar per USDA requirements.

Due to the grace period to conform to new meal pattern requirements effective October 2017 and the technical assistance provided, no meals were disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20(a)(5)(iii)(B) states, "...Yogurt must contain no more than 23 grams of total sugars per 6 ounces; ..."

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

5. The Sponsor did not provide enrollment information or the enrollment information provided had deficiencies

Condition

During our monitoring visit on January 9, 2020 we reviewed enrollment information which had the following deficiencies:

- There were two participants on the attendance roster for whom the provider did not provide enrollment information.
- There was one participant with an enrollment form dated December 2019 which did not cover the review period of November 2019.
- There were four participants with enrollment forms on file without a date.

Enrollment information must be maintained and updated on an annual basis.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.15 (e)(2) states "Documentation of the enrollment of each participant at centers (except for outside-school-hours care centers, emergency shelters, and at-risk afterschool care centers). All types of centers, except for emergency shelters and at-risk afterschool care centers, must maintain information used to determine eligibility for free or reduced-price meals in accordance with §226.23(e)(1). For child care centers, such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

Recommendation

The Sponsor should ensure that all enrollment information is collected as required and updated annually.

6. The Sponsor reported the days of operation incorrectly

Condition

Based on our review of the Claim for Reimbursement for the test month, the Sponsor reported 21 days of operation. However, we found that there were 19 days of operation.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim."

Recommendation

The Sponsor should ensure the submitted claim is accurate and based on supporting documentation.

Note: Our observation of the lunch meal service on November 18, 2019 revealed no deficiencies.

Technical Assistance Provided

Technical assistance was provided regarding the new meal pattern requirements and the completion of income eligibility application forms correctly. The Sponsor was also advised to update TIPS with a current list of Board of Directors.

Disallowed Meals Cost

Based on the review, we determined that the Sponsor's noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in a total disallowed cost of \$570.62.

Corrective Action

APPEAL PROCEDURES FOR CHILD AND ADULT CARE INSTITUTIONS AND SPONSORING AGENCIES

Appeal Procedures

1. Pursuant to 7 CFR §226.6(k)(4), the TN Department of Human Services (TDHS) must provide administrative review procedures to institutions and responsible principals and responsible individuals as follows:

- (a) Annually to all institutions;
- (b) To an institution and to each responsible principal and responsible individual when the State agency takes any action subject to an administrative review as described in 7 CFR §226.6(k)(2); and
- (c) Any other time upon request.

2. Pursuant to 7 CFR 226.6(k)(3) and (k)(9), some administrative actions are not subject to administrative review. Those actions are listed in paragraph 2.(a). Other administrative actions may be administratively appealed. Those actions are listed in paragraph 2.(b) and (c). All institutions and sponsoring agencies may appeal any adverse administrative action listed in paragraph 2.(b) which are taken by the TDHS by requesting a fair hearing to appear in person to refute the action, or by requesting a review of written information in lieu of a fair hearing.

(a) Pursuant to 7 CFR Part 226.6 (k)(3) TDHS is prohibited from offering administrative reviews of the following actions:

- (i) FNS decisions on claim deadline exceptions and requests for upward adjustments to a claim.
- (ii) Determination of serious deficiency.
- (iii) State agency determination that corrective action is inadequate.
- (iv) Disqualification and placement on State agency list and National disqualified list.
- (v) Termination.
- (vi) State agency or FNS decision regarding removal from the National disqualified list.
- (vii) State agency's refusal to consider an application submitted by an institution or facility on the National disqualified list.

(b) Pursuant to 7 CFR Part 226.6(k)(9), an abbreviated appeal process is available for the following actions. TDHS must limit the administrative review to a review of written submissions by the TDHS and institutions or sponsoring agencies concerning the accuracy of the State agency's determination if the application was denied, or the State agency proposes to terminate the institution's agreement because:

- (viii) The information submitted on the application was false;
- (ix) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is on the national disqualified list;
- (x) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities is ineligible to participate in any other publicly funded program by reason of violation of the requirements of the program;

- (xi) The institution, one of its sponsored facilities, or one of the principals of the institution or its facilities has been convicted for any activity that indicates a lack of business integrity;

(c) Administrative review is also available if the State agency notifies the institution and responsible principal or responsible individual of the following actions: proposed disqualification of a responsible principal or responsible individual, denial of a budget, denial of a line item within a budget, downward adjustment of the amount approved in a budget, suspension of an institution's participation, denial of start-up or expansion funds, denial of a request for advanced payment, recovery of an advance in excess of a claim, denial of a claim for reimbursement (except for late submission), decision not to forward an exception request for payment of a late claim, overpayment demand, denial of a new or renewing institution's application for participation, denial of sponsored facility application, notice of proposed termination, claim denial, claim deadline exceptions and requests for upward adjustments to a claim, or any other action affecting an institutions participation or claim for payment.

3. All appeal requests must be presented in writing to the TDHS Division of Appeals and Hearings not later than 15 calendar days after the date the institution or sponsoring agency receives the notice of adverse administrative action.

4. The date of an institution's or sponsoring agency's receipt of a notice of suspension and/or proposed termination and disqualification will be governed by the federal regulation at 7 CFR Part 226.2. The notice must specify the action being proposed or taken and the basis for the action, and is considered to be received by the institution or day care home when it is delivered, sent by facsimile, or sent by email. If the notice is undeliverable, it is considered to be received by the institution, responsible principal or responsible individual, or day care home five days after being sent to the addressee's last known mailing address, facsimile number, or email address.

5. The TDHS Division of Appeals and Hearings will acknowledge the receipt of the appeal request within 10 calendar days of the receipt of the institution's or sponsoring agency's request for review. The written request for review should state if a fair hearing is requested or if a review of written information in lieu of a fair hearing is requested. If the appeal request from the institution or sponsoring agency does not specifically request a hearing, a review of written information in lieu of a hearing will occur. If a fair hearing is requested and the institution or sponsoring agency's representative fails to appear, the right to a personal appearance is waived.

6. If an institution or sponsoring agency does not request a fair hearing or a review of written information in lieu of the hearing within 15 calendar days from the date the institution or sponsoring agency receives a Notice of Proposed Termination, the TDHS will issue a letter advising the institution or sponsoring agency that it is terminated from the CACFP effective on the 16th calendar day following the institution's or sponsoring agency's receipt of the notice, and that the responsible principals and individuals of the institution or sponsoring agency are disqualified from participation.

7. To be considered for a fair hearing or for a review of written information in lieu of a fair

Revised March 2017

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This

Appeal Procedures for Child and Adult Care Food Program-Institutions
Revised March 2017

continuance shall not be for a period longer than ten (10) calendar days unless there are exceptional circumstances. Exceptional circumstances must be detailed in the order of continuance and the order must contain a date certain for the hearing, to be set as soon as possible. A report of pending CACFP desk review and fair hearing requests will be generated and reviewed daily by the Clerk's Office and the Legal Director for Appeals and Hearings who will monitor the dates for timeliness. 17. If a termination action is upheld by the hearing officer, the TDHS will issue a letter to the institution or sponsoring agency and its responsible principals and individuals advising that the termination and disqualification are effective on the date of the ruling issued by the hearing officer. The agency maintains searchable records of all administrative reviews and their dispositions for a period of five (5) years.

18. As required by 7 CFR Part 226.6 (c)(7), each disqualified institution, sponsoring agency, principal and individual will be placed on the National Disqualified List maintained by the U.S. Department of Agriculture (USDA).
