Dear Ms. McDonald,

The Department of Human Services (DHS) - Division of Audit Services staff conducted an unannounced on-site monitoring review of the Child and Adult Care Food Program (CACFP) at Ronda McDonald DBA Building Blocks Academy (Sponsor), Application Agreement number 00186 on January 17, 2020. The purpose of this review was to determine if the Sponsor complied with *Title 7 of the Code of Federal Regulations* (CFR) applicable parts, provider agreement, and applicable Federal and State regulations.

Background

CACFP Sponsors utilize meal count sheets to record the number of breakfast, lunch, supper, and supplement meals served. Meals served by participating Sponsors must meet the minimum guidelines set by the United States Department of Agriculture (USDA) and DHS to be eligible for reimbursement. The CACFP Sponsor reports the number of meals served through the DHS Tennessee Information Payment System (TIPS) for reimbursement.

We inspected meal count sheets for our test period and reconciled the meals claimed to the meals reported as served for each meal service. We also assessed compliance with civil rights requirements. In addition, we observed a lunch meal service on November 21, 2019.

Our review of the Sponsor's records for November 2019 disclosed the following:

- 1. The Sponsor reported the number of participants in the free, reduced-price and paid categories incorrectly**

Condition

Based on our review of the Claim for Reimbursement for November 2019, we noted that the Sponsor reported 65 participants in the free category, 6 participants in the reduced-price

category, and 4 participants in the paid category. However, based on our review of the records available, we noted that there were 62 participants in the free category, 3 participants in the reduced-price category, and 10 participants in the paid category.

The differences were based on the following:

- The Sponsor did not have an application or application information on file for the review month of November 2019 for 1 participant reported as free. This participant was reclassified as paid.
- There were 2 participants reported as reduced-price, but the applications on file were dated over 12 months ago. These participants were reclassified as paid.
- There was 1 participant reported in the free category, but the application was dated over 12 months ago. This participant was reclassified as paid.
- There were two participants reported in the free category, but the application on file did not have the last 4 digits of an adult social security number, adult's signature or date. These participants were reclassified as paid.
- There was 1 participant reported in the reduced-price category, but according to the application, the participant should have been reported free. This is a reporting error. The participant was reclassified as free.

There was a total of 75 participants reported on the Claim for Reimbursement.

This is a repeat finding from a previous report dated March 13, 2019.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10(c) states, "...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim ..."

Title 7 of the Code of Federal Regulations, Section 226.15(e)(2) states, "All types of centers, except for emergency shelters and at-risk afterschool care centers, must maintain information used to determine eligibility for free or reduced-price meals in accordance with §226.23(e)(1). For child care centers, such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

Title 7 of the Code of Federal Regulations, Section 226.17(b)(8) states, in part, "Child care centers shall collect and maintain documentation of the enrollment of each child, including information used to determine eligibility for free and reduced price meals in accordance with §226.23(e)(1). ..."

Title 7 of the Code of Federal Regulations, Section 226.10 (c)(d) states, "All records to support the claim shall be retained for a period of three years after the date of submission of the final claim for the fiscal year to which they pertain, except that if audit findings have not been resolved, the records shall be retained beyond the end of the three year period as long as may be required for the resolution of the issues raised by the audit. All accounts and records pertaining to the Program shall be made available, upon request, to representatives of the State

agency, of the Department, and of the U.S. Government Accountability Office for audit or review, at a reasonable time and place.”

Recommendation

The Sponsor should maintain all information used to determine eligibility and ensure each participant is classified and reported accurately based on categorical or income eligibility. Applications should be updated annually and thereafter.

2. The Sponsor claimed more meals than we observed

Condition

During our monitoring on-site visit on November 21, 2019 to observe a lunch meal service. We observed 38 lunch meals served. However, the Sponsor claimed 40 lunch meals for reimbursement.

As a result, two (2) lunch meals claimed for reimbursement were disallowed.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.10 (c) states in part “...In submitting a Claim for Reimbursement, each institution shall certify that the claim is correct and that records are available to support that claim...”

Recommendation

The Sponsor should ensure meals reported agree with the actual meals served during the approved meal service time.

3. The Sponsor listed a grain-based dessert on two supplement menus

Condition

Based on our review of the menus provided by the Sponsor, two supplement menus were not in accordance with the USDA meal pattern requirements.

- The supplement menu on November 1, 2019, listed WGR granola bars and sliced Pineapples.
- The supplement menu on November 7, 2019, listed WGR granola bars and mandarin oranges.

Granola bars are considered grain-based desserts and are not a creditable component.

No meals were disallowed due to the Sponsor receiving technical assistance and time to conform to new meal patterns effective October 2017.

This is a repeat finding from a previous report dated March 13, 2019.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.17(b)(4) states, in part, "Each child care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in §226.20. ..."

Title 7 of the Code of Federal Regulations, Section 226.20(a)(4) states, "All grains must be made with enriched or whole grain meal or flour."

Title 7 of the Code of Federal Regulations, Section 226.20(a)(4)(iii) states, "Grain-based desserts do not count towards meeting the grains requirement."

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

4. The Sponsor provided infant menus that did not meet the USDA meal pattern requirements

Condition

The menus provided for infants had the following deficiencies:

Infant: LS, 9 Months

Date	Menu Deficiency	Deficient Meal
11/1,11/4,11/5,11/6, 11/7,11/8,11/14, 11/15,11/18,11/19, 11/20,11/22,11/25, 11/26,11/27/19	Missing Component: Iron Fortified Infant Cereal (IFIC) or Meat /Meat Alt. and Fruit/Vegetable Component	15 Breakfast Meals

Technical assistance was provided for infant menu deficiencies and no meals were disallowed.

This is a repeat finding from a previous report dated March 13, 2019.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.20 (b) states in part, "... Infant meals-(1) Feeding infants. Foods in reimbursable meals served to infants ages birth through 11 months must be of a texture and a consistency that are appropriate for the age and development of the infant being fed. Foods must also be served during a span of time consistent with the infant's eating habits."

Title 7 of the Code of Federal Regulations, Section 226.20(b)(4)(ii) states, "... (A) Breakfast, lunch, or supper. Six to 8 fluid ounces of breastmilk or iron-fortified infant formula, or portions of both; and 0 to 4 tablespoons of iron-fortified dry infant cereal, meat, fish, poultry, whole egg, cooked dry beans, or cooked dry peas; or 0 to 2 ounces (weight) of cheese; or 0 to 4 ounces (volume) of cottage cheese; or 0 to 4 ounces of yogurt; and 0 to 2 tablespoons of vegetable, fruit, or portions of both. Fruit juices and vegetable juices must not be served. (B) Snack. Fruit juices and vegetable juices must not be served. A serving of grains must be whole grain-rich, enriched meal, or enriched flour."

Recommendation

The Sponsor should ensure menus meet the meal patterns established by the USDA.

5. The Sponsor did not have enrollment information for two participants

Condition

There were two participants that did not have enrollment information on file.

This is a repeat finding from a previous report dated March 13, 2019.

Criteria

Title 7 of the Code of Federal Regulations, Section 226.15 (e)(2) states "Documentation of the enrollment of each participant at centers (except for outside-school-hours care centers, emergency shelters, and at-risk afterschool care centers). All types of centers, except for emergency shelters and at-risk afterschool care centers, must maintain information used to determine eligibility for free or reduced-price meals in accordance with §226.23(e)(1). For child care centers, such documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care."

Recommendation

The Sponsor should ensure enrollment forms are current and updated annually.

Technical Assistance Provided

The Sponsor received technical assistance regarding, the new meal pattern requirements; the allowable sugar level in cereal and yogurt, maintaining receipts for purchases on site, an updated link for new "And Justice for All" poster, maintaining a milk inventory from month to month, ensuring meal counts have no discrepancies between site and sponsor visits and grain requirements.

Disallowed Meals Cost

Based on the review, we determined that the Sponsor's noncompliance with the applicable Federal and State regulations that govern the CACFP resulted in a total disallowed cost of \$287.14.

hearing, all written documents must be submitted to the TDHS Division of Appeals and Hearings not later than 30 days after receipt of the notice of adverse administrative action.

8. The action of the TDHS must remain in effect during the administrative review. The effect of this requirement on particular actions by TDHS is as follows:

(i) *Overpayment demand.* During the period of the administrative review, TDHS is prohibited from taking action to collect or offset the overpayment. However TDHS must assess interest beginning with the initial demand for remittance of the overpayment and continuing through the period of administrative review unless the administrative review official overturns the TDHS's action.

(ii) *Recovery of advances.* During the administrative review, TDHS must continue its efforts to recover advances in excess of the claim for reimbursement for the applicable period. The recovery may be through a demand for full repayment or an adjustment of subsequent payments.

(iii) *Program payments.* The availability of Program payments during an administrative review of the denial of a new institution's application, denial of a renewing institution's application, proposed termination of a participating institution's agreement, and suspension of an institution are addressed in paragraphs (c)(1)(iii)(D), (c)(2)(iii)(D), (c)(3)(iii)(D), (c)(5)(i)(D), and (c)(5)(ii)(E), respectively, of 7 CFR §226.6.

9. The institution or sponsoring agency must refute the charges contained in the notice during the fair hearing or in the written information that is provided in lieu of the hearing.

10. The institution and the responsible principals and responsible individuals may retain legal counsel, or may be represented by another person.

11. If a fair hearing is requested, the institution or sponsoring agency will be notified in writing of the time, date and place of the fair hearing at least 10 calendar days in advance.

12. Any information which supports an adverse administrative action taken by the TDHS shall be available to the institution or sponsoring agency for inspection from the date of the receipt of the request for a fair hearing or a review of written information in lieu of the hearing.

13. In accordance with 7 CFR Part 226.6 (k)(8), the TDHS Division of Appeals and Hearings must conduct the administrative review of the proposed disqualification of the responsible principals and responsible individuals as part of the administrative review of the application denial, proposed termination, and/or proposed disqualification of the institution with which the responsible principals or responsible individuals are associated. However, at the administrative review official's discretion, separate administrative reviews may be held if the institution does not request an administrative review or if either the institution or the responsible principal or responsible individual demonstrates that their interests conflict.

14. The procedures contained in the Uniform Administrative Procedures Act found at TCA 4-5-301 et seq. shall be followed in rendering a decision on all appeals. The decision of the hearing officer is the final administrative determination to be afforded to the institution or sponsoring agency, and shall be rendered in a timely manner not to exceed 60 calendar days from the date of the receipt of the request for a fair hearing.

15. The processing limits for administrative appeals MUST be met. In the event a continuance is requested by a party, one continuance may be granted at the Hearing Official's discretion. This
