**SBC Project No.** 166/003-01-2003
  
- 2) Approved a request to cancel a project for **Memorial Health Pool Repairs** at Austin Peay State University in Clarksville, Tennessee  
**Estimated Project Cost:** \$ 1,230,000.00  
**SBC Project No.** 166/003-04-2005
  
- 3) Approved a request for a revision in scope, estimated project cost, and funding from \$1,320,000.00 to \$2,513,532.38 (\$1,193,532.38 increase) and acknowledgment of source of funding of the project for **Armory Demolition and Memorial Health Renovation** at Austin Peay State University in Clarksville, Tennessee.  
**Revised Estimated Project Cost:** \$2,513,532.38  
**SBC Project No.** 166/003-02-2004

Middle Tennessee State University, Murfreesboro, Tennessee

- 1) Vice Chancellor Gregory presented a request for approval of a revision in scope and estimated project cost from \$45,000,000.00 to \$78,000,000.00 (\$33,000,000.00 increase) and a revision in funding from \$300,000.00 to \$78,000,000.00 (\$77,700,000.00 increase), acknowledgment of source of funding, approval to include Commissioning, and approval to issue a Request for Proposals for a Construction Manager/General Contractor of the project for **New Student Union and Rutledge Hall Improvements** at Middle Tennessee State University in Murfreesboro, Tennessee.  

Treasurer Sims commented that this had been presented to the Subcommittee and they had become satisfied that the cost adjustment was due to a need to satisfy the true programmatic needs, which had been underestimated. Mr. Gregory confirmed that, as they got into the scope, they found that they had drastically under-estimated the project. After discussion the Commission approved the request without objection.

**Revised Estimated Project Cost:** \$78,000,000.00  
**SBC Project No.** 166/009-05-2005

2) Vice Chancellor David Gregory presented a request for approval of a revision in funding from \$2,640,000.00 to \$4,640,000.00 (\$2,000,000.00 increase) and, acknowledgment of source of funding of Phase One for **Pittard Campus School Renovations** at Middle Tennessee State University in Murfreesboro, Tennessee. He stated that the building was built in 1928 by the State and operated by the County School Board. He said this request is the Board's commitment to the school, and that it doesn't go beyond that. He added that the \$1 million from MTSU was contingent upon:

- The County School Board receiving \$1 million in private donations for capital improvements and maintenance;
- Formalizing the agreement for Match Funds with amendments to the existing contracts;
- The County Board's agreement to complete the projects outlined in the Donation Agreement in a timely manner; and
- The County being responsible for all ADA, Fire, and Life Safety issues, and all other legal requirements.

Mr. Gregory said that MTSU is committed to the unique education program offered at the Campus School, and that was the reason they were making the request for approval. He then introduced President McFee and the Rutherford County delegation.

Treasurer Sims said he understands that this is an important program to Rutherford County and that this contributes to the mission of Middle Tennessee State University, and he respects President McFee's judgment in the matter. Otherwise, he said, he would not consider the request to put \$1 million of capital maintenance into the project. He said he would like to ask if there was an understanding that the State was fulfilling all of its capital maintenance obligations with this approval, and if it turned out more monies were needed, the State would not be asked for additional monies. Director Harry Gill and Mayor Burgess were recognized and assured the Commission that they would not be back asking the State for more monies.

Speaker Naifeh asked when they were going to stop giving money to local schools. He said he hoped he never had to see this kind of request again. Mr. Gregory confirmed that this was not a good precedence. Treasurer Sims said he would recommend that this request be referred to the Subcommittee with authority to act. He said their goal was to insure that they arrived at the right agreement that memorializes this discussion. Secretary of State Darnell said that he didn't feel as hesitant as Speaker Naifeh since it is MTSU's building, He said he was concerned about the future, and asked if all were prepared to fund the school to keep it operating and functioning. After discussion, the Commission referred the request to the Subcommittee, with authority to act.

<b>Estimated Project Cost:</b>	<b>\$2,640,000.00</b>
<b>SBC Project No.</b>	<b>166/009-12-2006</b>

### **EXECUTIVE SUB-COMMITTEE REPORT**

- 1) Report received of final action taken at the State Building Commission Executive Subcommittee meeting held on July 23, 2007.

### **DESIGNER SELECTION LIST**

- 1) Approved the following designer selections as recommended. Treasurer Sims said he wanted to note that they generally try to keep designer selections within a region. He said that they had a special request from Commissioner Davis of the Department of General Services to use west Tennessee firms for middle and east Tennessee projects. He said that Commissioner Davis had expressed that they really wanted to use these particular firms. Treasurer Sims commented that, as an out of region project, there may be travel expenses included that would not have been originally budgeted in the project. He said that the Commissioner had told him that, if these extra costs placed the project in jeopardy, that she would be back with a remedy.
