
Intrepid College Prep Charter School Appeal

The Background:

Intrepid College Prep submitted a charter amendment petition to Metro Nashville Public Schools on October 1, 2020. After reviewing the petition, the Metro Nashville Public Schools Board of Education voted to deny the amendment at the regularly scheduled board meeting held on November 24, 2020.

On December 4, 2020, Intrepid College Prep appealed to the State Board of Education. The State Board of Education's staff conducted a de novo on the record review of the amendment petition and held a virtual public hearing on January 12, 2021.

The Executive Director's recommendation is based on the review of the record, information presented at the public hearing, and the public comment received on this appeal.

The Recommendation:

The Executive Director's recommendation will be provided prior to the meeting.
