
Automatic Revocation, Rule

The Background:

Pursuant to State Board of Education Rule 0520-2-4-.01(9)(a) the State Board of Education may automatically revoke, suspend or refuse to issue or renew a license for several offenses enumerated in the rule.

Effective April 28, 2014, Public Chapter 844 of the 108th General Assembly amended T.C.A. § 49-5-413(d)(3) on the investigation of applicants for teaching or child care positions. The amended section enumerates offenses which preclude convicted individuals from coming in direct contact with school children and children in child care programs, or entering the grounds of a school or child care center when children are present. The amended section also specifies that “conviction” includes convictions for the same or similar offense in any jurisdiction, and convictions for the solicitation of, attempt to commit, conspiracy, or acting as an accessory to any such offenses.

This rule amendment adds those offenses to the list of those offenses for which, if convicted, the educator will not be entitled to a hearing in the suspension, revocation, or denial of his/her license. It also amends the definition of “conviction” to reflect the language in Public Chapter 844.
