

Tennessee Advisory Commission on Intergovernmental Relations (TACIR)
Legislative Plaza Meeting on Broadband
October 21, 2015
Room 30

Interstate 40 Exits:

148: Centerville/Turney Center

- a. Turney Center has internet

152: Dickson/Bucksport

- a. Accurate Energetics- ATT has Fiber on the South side of the interstate. They were quoted in 2014- T1 \$85,700 dollars for 1.4 miles.

163: Dickson/Pinewood

- a. Recovery Ranch- ATT fiber but paid for it to be ran to them.

172: Dickson/Centerville

- a. Diamond Gussett- Has ATT U-Verse and paid extra to have it ran to the business. Most powerful service ATT offers. He was 1.2 miles from a box. Paid an extra \$1000 for the service.

Verizon Wireless 4G anywhere we have cellphone service.

Direct-TV Satellite anywhere they have service.

Provider in Centerville:

1. ATT U-Verse
 - a. As DSL is phasing out slowly, we got a speed boost via ATT U-Verse. What used to be a 6Mbps DSL now could be an 18 Mbps U-Verse over copper.
 - b. But this is only available around town of Centerville.
2. Tennessee Wireless (WISP- Wireless Internet Service Provider)
 - a. With their limited resources they are providing wireless internet to some areas outside for ATT circle.

Provider in East of Hickman County:

1. ATT U-Verse
 - a. It's available from Lyles to Bon Aqua. But not too far down Hwy 100 and Hwy 7
2. Comcast Xfinity
 - a. Comcast is a great alternative for Lyles and Bon Aqua. The speed can go up to 20 Mbps. We are using them at East EMS building.

Hickman County School System:

- a. ENA contracts with ATT and the cost is expensive.
