MEMORANDUM

TO: Commission Members

FROM: Cliff Lippard *Cliff*
Executive Director

DATE: 16 December 2022

SUBJECT: Biennial Report for Fiscal Years 2020-21 and 2021-22—Final Report

The biennial report on the Commission's work for fiscal years 2020-21 and 2021-22 is submitted for your approval. The report, required by the Tennessee General Assembly, follows the general framework established in previous reports and provides an overview of several of the important program areas—broadband access, community resiliency, local government revenue and services, right-of-way dedications, right to shop programs in healthcare, shared resources in counties with multiple school systems, small cell wireless facilities, state contracting, state gold depository, and infrastructure—addressed over the two-year period. The full scope of the Commission's work is evidenced in the lists of publications, presentations, relevant legislation, and meeting summaries included in the appendixes.
