

Introduction

Tennessee's SNAP E&T Program sees a future where SNAP recipients obtain marketable and in-demand skills that result in stable employment or entrepreneurship opportunities. To that end, this program will seek to provide SNAP recipients with job-driven training, tools and access to career pathways that lead to family and individual supporting and sustainable jobs.

In Department of Labor and Workforce Development's (DLWD) effort to realize this vision, we are in the process of strategically growing our SNAP Employment & Training (E&T) Third Party Partnership Program. We are interested in learning more about your employment and training services and programs. This assessment is designed:

- 1) to assess the workforce training and support services currently available in your area and;
- 2) to better understand the organizations providing those services.

DLWD will evaluate the results from this assessment to choose our SNAP E&T third party partners that will provide Tennessee's SNAP residents (who are not on TANF) with workforce development and supportive services. Over time, we will continue adding more partners as we grow capacity to manage the program.

The information you provide here is confidential and will only be shared with the leadership at the DLWD and our technical assistance partners.

We strongly recommend that you begin by reviewing the full PDF version of this assessment sent to you by e-mail. Some questions may require you to consult with other colleagues.

If you have any questions about this assessment, please contact our SNAP E&T email address: SNAP.ET@tn.gov.

Thank you for your interest and participation!

Tracking and Allocating Costs

Tennessee is moving its SNAP E&T program to a 50-50 program model. Organizations must be able to "front" services for low income individuals on SNAP with non-federal funding sources (i.e. state, local, community based organizations, community colleges, foundations, social enterprise dollars). Further, non-federal funds must meet all 3 of the following criteria:

- 1) Non- federal funds;**
- 2) Not committed as match for other federally funded programs; and**
- 3) Available throughout the federal fiscal year (October 1 through September 30).**

Once services have been rendered to eligible individuals on SNAP, organizations invoice for their allowable SNAP E&T expenses. Upon review and approval of the invoice, organizations will be reimbursed for 50% of the invoice amount. This reimbursement will be new money for organizations to expand and sustain programs, hopefully for SNAP E&T recipients.

This model requires significant knowledge about cost allocation methodology and close monitoring of funds. Therefore, we want to better understand your organization's experience in tracking and allocating costs for a program that has multiple funding streams with restrictions - allowable and non-allowable costs.

Please note that the information provided here is confidential.

Sources of Non-Federal Funding

Many SNAP E&T programs are funded through a 50/50 federal match. The 50 percent may come from a state agency or from a 3rd party:

- State, county, or city funds
- Donations from private firms or non-profits
- Foundation funds
- Social venture funds
- In-kind donations (*government entities only)
- Community Development Block Grants (CDBG)
- State Need Grants
- State Worker Retraining Dollars
- State Opportunity Grants
- Tuition set-aside resources
- Other state training funds (ex-offender, homeless, non- custodial parents)

If a foundation, for example, is already funding a workforce development program that meets all of the criteria for SNAP E&T, its investment could be used as match to receive the 50% reimbursement from FNS. This reimbursement will expand the capacity of that program.

Please indicate whether your organization receives non-federal funds that are potentially available for a federal match. In addition, keep in mind that funding that originates from the federal government and is passed through a State or local entity cannot be used as match.

Please note that the information provided here is confidential.
