*Wayne County Boot Camp (WCBC) became an annex of Turney Center Industrial Prison (TCIP) in August 2008. TCIP is now Turney Center Industrial Complex (TCIX). This report reflects combined data for WCBC & TCIX as of July 2008 to allow for continuity and ease of interpretation of fiscal year data.

MLCC transitioned from a male to a female facility in FY 1999-00.

DSNF transitioned from a coed facility to a male facility in FY 2001/2002.

WCFA opened October 28, 2002.

BMCX was closed on June 4, 2009.

NOTE: This report reflects an average of the daily counts at each institution which are reported via the TDOC Population Overview Report produced by the TDOC Classification section.

DEFINITIONS

TOTAL BEDS AVAILABLE

Institutional capacity designed and constructed for housing inmates sentenced by courts. This category includes general prisoner population, segregation, classification, and special programs, e.g., mental health and health.

TDOC OPERATING CAPACITY (DESIGNATED CAPACITY) Reference: TCA 41-1-503

Operating capacity is based upon the number of total beds available and the designated use of certain beds. The OPERATING CAPACITY indicates the population which should be assigned to the institution on a regular basis. The underlying logic is to exclude from capacity beds for special purposes such as medical or mental health reasons, disciplinary segregation, protective custody, and maximum security. The Department's operating capacity is currently set at 98% of total beds available.

POPULATION

The POPULATION reported is the assigned count on the last day of the month. It includes inmates on furlough, out to court for appearances, in the hospital, or on escape status. All of these are expected to return to in-house custody.
