

**Office of Assessment,
Evaluation, and Research**

Fall 2009 Regional Meeting

Special Education Assessments

Special Education Accommodations

- Accommodation C: Mathematics
Table/Calculators
 - If system allows use, do not code Accommodation C.
 - Achievement/MAAS: Mathematics Tables are Addition, Subtraction, Multiplication, Division
 - End of Course: Mathematics Tables are Addition, Subtraction, Multiplication, Division, and Square Root Chart
 - Square Root Chart may be downloaded from <http://www.state.tn.us/education/assessment/secondary.shtml>

Special Education Accommodations

- Accommodation F: Student reads aloud into tape recorder and plays back to self
 - Audit was conducted
 - Systems marked Accommodation F
 - No tapes were sent to TDOE
 - This is either a breach of security (if the Accommodation was used) OR a Report of Irregularity (if the Accommodation was not used)

Special Education Accommodations

- All other accommodations remain same
- Achievement and MAAS have the same accommodations

MAAS

- Item Samplers on line
- An extra book will be sent with order if Read Aloud is needed

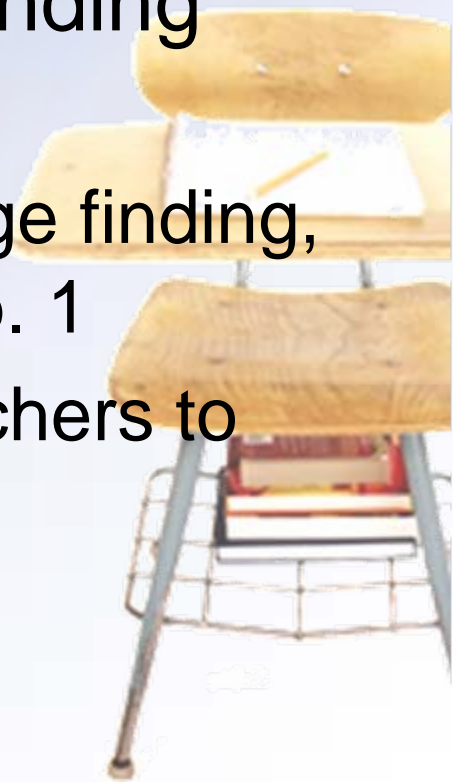

Portfolio

- Do not submit K-2
- Due back to MI by February 10
- February 1 is deadline for range finding portfolio submission
 - If system wants to participate in range finding, send binders to MI no later than Feb. 1
 - Email Lori Nixon to recommend teachers to participate

Alternate Performance Based Rubric

- Now allowed for any Special Education student
- Rubrics are posted to the Special Education site as well as the Testing and Evaluation website at

http://www.state.tn.us/education/assessment/alt_EOC.shtml

- More information concerning grade implications forthcoming
