

One night while I was getting ready to go to bed, My sister screamed "Get away from me!" I went down stairs and I saw a guy. He looked around twenty maybe older, so I punched him in the nose. I was suprised that he didn't fight back he just ran away and called me a freak. But it didn't take long for me to see that there was a hole in the wall. I looked at my sister and she looked pretty freaked out. Then she said "Did You Jjjust!" At this point I was a little bit scared my self, so I went to bed. The next morning I was floating over my bed then I said "Do I have powers?" And then I herd "Wake up, Wake up, Wake up! I wake up. I saw my sister saying it. Then I figured that it all was a dream. The End

This response reflects proficiency in narrative writing skills. The response is organized chronologically and has very few errors in writing conventions. The writer uses dialogue to illustrate and tie together the key ideas ("Get away from me!"; "Did you jjjust"; "Do I have powers?"). Further development and greater facility in the use of language would be required for a higher score.
