

G 4

The few items are is the placed of a Pictures
of my grandparents. And my pictures book with other
thing in my book. My old Book about human
ie birds book. And my picture of my family
in the picture Book. And my award asselle
paper. My United States hat when little kid
When I congration.

G-4

Score Point: 2

This response reflects flawed proficiency in expository writing skills. The writer lists several items to be placed in a time capsule; however, the response lacks development, and there is no apparent organizational strategy. In addition, there are serious errors in mechanics, usage, and sentence structure.
