

The 13/15/17% Tennessee Film and Television Incentive Procedure

*You do not need to complete these steps until you are “greenlit” for Tennessee production.
Please read through all of the forms prior to beginning the application process.*

*IT IS HIGHLY RECOMMENDED THAT ALL PRODUCTION COMPANIES CONTACT THE TENNESSEE FILM, ENTERTAINMENT & MUSIC COMMISSION TO DISCUSS THEIR PROJECT AND INCENTIVE ELIGIBILITY **BEFORE** APPLYING.*

BEFORE PRODUCTION:

1. Register your Production Company for a Certificate of Conditional Eligibility with the Tennessee Film, Entertainment & Music Commission (TFEMC) using **Form A**. Forms can be found at www.film.tennessee.gov under “Incentives.” Mail or fax the form. **Please include all contact information!** You will be contacted once the TFEMC has received your form.

If approved, the state will issue a certificate of conditional eligibility to the authorized applicant. The receipt of the certificate of conditional eligibility does not guarantee availability of the incentive nor the amount of the incentive which is contingent on the final budget and the productions meeting the requirements of the incentive plan. In addition the actual receipt of the incentive is subject to the availability of incentive funds for the program and a mutually executed Tennessee state contract.

2. Submit a copy of the script to the TFEMC. Preferred method for sending script is Final Draft in PDF via email to perry.gibson@state.tn.us or by mailing a hard copy. If you are requesting any location assistance, please also include a location breakdown.
3. Production Company must provide adequate assurances (financial and otherwise) of their ability to complete production.
4. Once the production is approved for a Certificate of Conditional Eligibility, a meeting will be scheduled with the TFEMC. This meeting should include your *Head Accountant, Line Producer and/or UPM and/or Production Supervisor*.

DURING PRODUCTION:

Each Tennessee resident employed on your production must complete **Form B**, a Declaration of Residency form **and** provide proof of residency, which must be a copy of a valid Tennessee driver's license or state-issued ID.

5. Keep a detailed account (ledger) and submit in print and on CD, all expenditures incurred in Tennessee during pre-production, production and post (if applicable).
 - o Full vendor names must be clearly visible on ledger
 - o Any credit card purchases must include detail of purchases/vendor names
 - o Copies of each employee's *Declaration of Residency* form and attach proof of residency and sort alphabetically by last name
 - o Copies of petty cash envelope summaries (copy the front of each petty cash envelope) and sort by PC envelope number
 - o Copies of receipts (keep originals for your records). If possible, scan your invoices/receipts into PDF files and submit on CD

AFTER PRODUCTION:

6. Once production is completed, use your records to compile a comprehensive ledger of Tennessee expenditures and calculate your potential incentive. Do not complete your ledger until your very last Tennessee expenditure, which would include any post-production. This report will need to be **independently audited** prior to submission, and **should include a letter from the auditor certifying the production company's Tennessee spend.**

7. Please provide proof of the following: *"Upon the completion of principal photography, Production Company must post a notice, once a week for 3 consecutive weeks, in local newspapers in each Tennessee location where production took place, notifying the public of the need to file creditor claims with the production company by a specified date. Production company agrees that outstanding obligations are not waived by a creditor failing to file such claim by the specified date. Production company will not be entitled to receive any incentives, nor will they file any of their claims therefore with the state, until the Tennessee Department of Revenue notifies TFEMC that the production company has complied with all its obligations under this program."*

Please include production title, address, phone, fax, and contact name(s) for your primary or corporate office - not your Tennessee production office - as vendors need to be able to contact you after you have closed your local production office. Please submit this information to the TFEMC *and* fax a copy of the newspaper bill for all three weeks to the TFEMC. This information will also be posted on the web site of the TFEMC for sixty (60) days.

8. The TFEMC will need copies of the following information:

9. Complete **Form C**, the incentive application. Mail your completed package. Make sure to submit the **application** and **all supporting documents**.

NOTE: FEWER MISTAKES EQUAL A FASTER INCENTIVE!

Upon review by the TFEMC, this package may be forwarded to the TN DEPT. OF REVENUE. They will review your claim *line by line* and return the form to you with the approved amount. Sorry, the TFEMC nor TN DEPT. OF REVENUE cannot estimate the length of time the review process will take.

10. Once your incentive application is received, the production contact will be notified by the TFEMC. In order to receive the incentive at the end of production, all productions will need to enter a contract with the State of Tennessee.

For questions regarding the tax incentive program, you may contact the TFEMC: (615) 741-3456 or perry.gibson@state.tn.us
