

## DUI Facts

### CAN YOU AFFORD A NEARLY \$10,000 NIGHT ON THE TOWN?

A single DUI (Driving Under the Influence) conviction could cost you as much as \$5,000 or more after all fines and fees have been paid. A first offense DUI charge could easily add up to such a staggering cost! The cost could be even higher if you don't qualify for the restricted driver license for driving to work during your suspension. This could add expense for alternate transportation (taxi, bus fare, etc.) or even worse, the complete loss of your employment.

Driving Under the Influence (DUI) includes not only alcohol, but any intoxicant, narcotic drug, or other drug producing central nervous system effects -- including prescription drugs.
