TIPS FOR PARENTS

- As soon as possible, begin saving for college! Even if it's only \$25/month, in 18 years your child could have \$12,000 to add to grants, scholarships, and other financial aid. For more information regarding college savings plans in TN, visit www.tnstars.com.
- It's never too early to teach your children the value of a dollar! As early as elementary school, begin educating your kids about saving, budgeting, and wisely spending money!
- Encourage your child to challenge themselves! Students that take the most challenging courses in school are best prepared for college success.
- Visit a campus...TODAY! Visiting a campus at any age is a great step in making college dreams a reality. As a high school student, it's an important step in the college selection process. Price, location, and programs offered are just a few things to consider when choosing a college.
- Apply early! Financial aid is limited. Complete all financial aid, scholarship, and loan applications as soon as possible! Admission to some colleges is competitive. Do not apply to only one college; keep your options open by applying to several.

FAQ HOPE Scholarship for High School Seniors

Q: Should I take easy classes in high school so my GPA will be high enough to qualify for the HOPE Scholarship?

A: No! Taking easy classes in high school might get you a higher GPA but you won't be prepared for college and you'll be less likely to keep your scholarship after your freshman year. Take all the Math, Science, and English classes you can get!

Q: While I'm in high school wouldn't it be better off working more to save money for college?

A: Not 18 hours a week suffer from it! A HOPE Scholarship at a four-year institution is worth at least \$18,000. That's like working to save \$100/week, every week, for more than three years!

Q: Do I have to go to college right after I graduate to get the HOPE Scholarship?

A: No. Students who meet all other eligibility requirements can take up to 16 months off before enrolling at a HOPE-eligible institution.

Q: My college is using an ACT "Super Score" for admissions. Can I use it to qualify for HOPE?

A: No. Your highest composite score on a single test is used to determine HOPE eligibility.

Q: Is the FAFSA the only way to apply for a HOPE Scholarship?

A: Yes.

Q: I'm getting the HOPE Scholarship! Can I use it at any college in Tennessee?

A: Congratulations on becoming a HOPE Scholar! You may use the HOPE Scholarship at any approved, HOPE-eligible institutions in Tennessee. To find a list of these colleges, go to the Lottery Scholarship page at www.TN.gov/collegepays.

Q: How is my high school GPA for the HOPE scholarship calculated?

A: It is calculated per the uniform grading policy adopted by the Tennessee State Board of Education. For further details, ask your school counselor.

FAQ HOPE Scholarship for College Students

Q: Once I start as a college freshman can I "sit out" a semester to work and still receive my HOPE Scholarship?

A: No. Maintaining continuous enrollment is a requirement for HOPE eligibility. Once you start your freshman year, you must enroll in AT LEAST 6 hours in the Fall and Spring semesters to receive your scholarship award.

Q: I need to drop some classes. Will this impact my HOPE Scholarship?

A: It depends. Once the semester begins, if dropping courses causes you to go from full time to part time you could lose your HOPE Scholarship permanently. NEVER drop courses without talking to your financial aid office about how it may impact your HOPE eligibility.

Q: What are the requirements to keep my HOPE Scholarship?

A: At the end of 24 and 48 attempted hours a student must have a cumulative GPA of at least 2.75. At the 72-hour benchmark and beyond, a student can retain the award by having a cumulative GPA of 3.0 or above OR achieving a cumulative GPA between 2.75-2.99 and earning a semester GPA of 3.0. It is important to note that students who retain the award with a cumulative GPA between 2.75-2.99 must be enrolled full-time, except for a member and will have their eligibility checked at the end of each semester. Students who retain the award with a cumulative GPA of 3.0 or above are eligible until the next benchmark is reached.

Q: Can I regain the HOPE Scholarship later if I don't make the required GPA?

A: Yes, students may regain the award one time only if they raise their cumulative GPA to the appropriate level for that particular benchmark. For example, if your GPA is below 2.75 when you attempt 24 semester hours, you can regain the award at the 48-hour benchmark by raising your cumulative GPA to 2.75 or above. If you made a low grade in a course, you also have the opportunity to repeat one course, one time, to help you regain the award. Please contact TSAC or your school for further details.
