PROPOSED ORDER GRANTING DIR RECEIVER'S MOTION (1) TO ACCEPT AND APPROVE A MAXIMUM CLAIM RESERVE FOR SOLE REMAINING CLASS 2 CLAIM, (2) TO ACCEPT AND APPROVE NUMEROUS FINAL DETERMINATIONS AS TO ENUMERATED CLAIMS AND (3) TO APPROVE PAYMENTS OF APPROVED CLAIM AMOUNTS FOR APPROVED CLASS 5, CLASS 6 AND CLASS 7 CLAIMS

Before the Court is a Motion filed on June 30, 2016, by the Commissioner of the Tennessee Department of Commerce and Insurance, in her capacity as Liquidator/Receiver ("Receiver") of Doctors's Insurance Reciprocal (RRG) in Liquidation ("DIR") and the DIR Special Deputy Receiver requesting the following relief:

1. Acceptance and approval of the setting of a maximum claim reserve for the sole remaining unliquidated Class 2 claim in the DIR Liquidation proceeding (POC #2921 – Wheelis Claim).

2. Acceptance, as final, of claim determinations of the Class 5 claims set forth in **Exhibit A** (1 page in length) to this Order;

3. Approval of the amounts set forth as Approved Claim Amounts for the Class 5 claims set forth in **Exhibit A**[1];

4. Approval of 100% payment of the Approved Claim Amounts for the Class 5, Class 6 and Class 7 claims as set forth in **Exhibit B** (13 pages in length), **Exhibit C** (1 page in length) and **Exhibit D** (4 pages in length) respectively; and

5. Entry of this Order as final regarding all matters addressed herein pursuant to Rule 54.02 Tenn.R.Civ.P.

The Court has reviewed the efforts taken by the DIR Special Deputy Receiver to give notice of her June 30, 2016 Motion and finds those efforts sufficient. There have been no responses, objections or oppositions filed in relation to the pending Motion. Upon review of the Motion, and upon the record in this proceeding as a whole, the Court finds the Motion well taken.

The DIR Liquidation proceeding has one remaining unliquidated claim – POC #2921/Wheelis Claim. In order to proceed with distribution to Class 5, 6 and 7 claims, allowance or reserve must be made for the Wheelis Claim. Agreement has been reached between the DIR Special Deputy Receiver and Wheelis to establish a maximum amount to reserve for the entirety of the Wheelis Claim -- $1.35 million (i.e. "Wheelis maximum reserve"[2]). The "Wheelis maximum reserve," by agreement of the parties, would be the maximum amount to be recovered under the Wheelis Claim. The Court finds that the "Wheelis maximum reserve" (whether it be $1.35 million or some reduced amount because

[1] The Approved Claim Amounts for each listed claim is set forth in the column "NOD Approved Value" in **Exhibit A**.

[2] Part of the Wheelis claim reserved for is a claim for incurred interim defense costs in the adjudicated amount of $95,779.33. By separate motion filed on July 11, 2016, the DIR Special Deputy Receiver requests acceptance of that interim defense costs amount and approval of payment of that amount, said motion coming before the Court for hearing on July 25, 2016, in conjunction with this Motion. This Court, through approving the $1.35 million maximum reserve herein, and through granting the DIR Special Deputy Receiver's July 11, 2016 Motion (through separate Order) acknowledges that through the payment of the $95,779.33 amount for approved interim defense costs, the maximum reserve for the Wheelis Claim / POC #2921 is reduced to $1,254,220.67.

of payments of portions of POC #2921 – *see* footnote 2, *infra*) is reasonable. It is necessary for a "Wheelis maximum reserve" to be established so as to allow distributions to Class 5, 6 and 7 claims to proceed[3]. Accordingly, the Court accepts and approves (pursuant to T.C.A. §§56-9-326(a) and 56-9-331) the $1.35 million Wheelis maximum reserve, as reduced by virtue of interim payments made pursuant to interim determinations approved by the Court (*see* footnote 2, *infra*).

The Court finds that (1) based upon the Motion, (2) based upon financial information filed by the DIR Special Deputy Receiver on May 16, 2016, (3) based upon the representation by the DIR Special Deputy Receiver that adequate reserve is being maintained for administrative expenses, (4) based upon the approval herein of the "Wheelis maximum reserve", and (5) based upon fact that the only remaining unaddressed claim (other than the Wheelis claim, which is reserved for as set forth herein) in the DIR Liquidation Proceedings is a Class 8 claim[4], payment of the Class 5, Class 6 and Class 7 approved claim amounts complies with T.C.A. §56-9-333(a).

Accordingly, pursuant to T.C.A. §56-9-331, the Court accepts the claims listed in **Exhibit A** hereto as final claim determinations and approves the Approved Claim Amount for each claim as set forth in **Exhibit A.**

---

[3] The Court further finds that the establishment of a "Wheelis maximum reserve" does not dispense with the necessity of the Wheelis Claimant to present information to adjudicate claim amounts (whether interim or final) and does not dispense with the need for claim determinations to issue and claim amounts to be accepted and approved by the Court prior to any payment upon the Wheelis Claim / POC #2921.

[4] The DIR Special Deputy Receiver represents that the only remaining Claimant that has an unaddressed claim in the DIR Liquidation proceedings (other than Wheelis, which is reserved for as set forth herein) has previously been classified as a Class 8 claim. *See* DIR's June 30, 2016 Motion at pp. 6-7. Notice of the June 30, 2016 Motion, and the reference of the Class 8 classification of that claim as being final, was given to the Class 8 claimant. No objection or response from that Class 8 claimant, challenging that classification as final, has been filed in relation to the June 30, 2016 Motion.

The Court further approves the payment of the amounts listed as the Approved Claim Amounts in **Exhibit B** (approved Class 5 claims), **Exhibit C** (approved Class 6 claims) and **Exhibit D** (approved Class 7 claims)[5] in the following aggregate amounts:

$3,880,904.56	(Aggregate Approved Class 5 Claim Amount)
$ 1,505.70	(Aggregate Approved Class 6 Claim Amount)
$931,759.40	(Aggregate Approved Class 7 Claim Amount)
$4,814,169.66	**Total**

To the extent that the DIR Special Deputy Receiver determines that any particular approved and finalized DIR Class 5, 6 or 7 Claim involves, or could involve, a Medicare/Medicaid lien law issue, the DIR Special Deputy Receiver may delay the distribution approved herein until she has assured herself, through her own investigation if necessary, that no Medicare/Medicaid lien law issues exist, or if they do, that such issues have been addressed. Each claimant who/which is requested to do so, must cooperate with the DIR Special Deputy Receiver in relation to this Medicare/Medicaid lien law issue.

In the June 30, 2016 Motion, the DIR Special Deputy Receiver requests, pursuant to Rule 54.02 Tenn. R. Civ. P., that the Order entered in relation to the Motion be entered as a final order in relation to all matters addressed therein. The Court finds that this Order does not address all matters involved in the DIR Liquidation proceeding. The Court further finds that the DIR Special Deputy Receiver will rely upon the rulings contained in this Order in taking actions such as payment of the distributions as approved herein. In doing so, the DIR Liquidation Estate needs certainty and finality as to the Court's rulings. For that reason, and there being no just reason for delay, the Court

---

[5] Again, the approved claim amounts for each claim (albeit at times $0.00) are set forth in the "NOD Approved Claim" column of each exhibit.

expressly instructs the Clerk and Master to enter this Order as a final order as to all matters contained herein. Rule 54.02 Tenn. R. Civ. P.

Finally, given the broad notice provided in relation to the Motion (*see* June 30, 2016 Motion at p. 7) and given the lack of responses or objections to the Motion and no appearance in opposition at the noticed July 25, 2016 hearing of the Motion, the Court deems it sufficient notice to those affected for this Order, once entered, to be posted on the Tennessee Department of Commerce and Insurance website at http://www.tn.gov/commerce/article/ins-insurance-company-actions. The DIR Special Deputy Receiver is to post this Order in that fashion as soon as practicable after the entry of this Order. To the extent that the Court places reliance upon the finality of the classification of the Class 8 claimant (*see* footnote 4, *infra*), the DIR Special Deputy Receiver is to provide a copy of this Order to that Class 8 claimant as soon as practicable after its entry on the docket.

It is so ORDERED this the 25th day of July, 2016.

Honorable Russell T. Perkins, Chancellor
