ACTIVE TO RETIRED

The fee for changing from active to retired status is \$35. A check or money order for that amount must accompany this form made out to: State of Tennessee.

AFFIDAVIT

Under Rule 0780-5-7-.06, I would request that my registration be placed in retired status. My current licensee number is _____. I understand that while my registration is in retired, I cannot conduct any plans, plats, drawings, reports, or other geologic papers or documents involving geologic work. During this period of time, I shall not represent myself as a geologist in Tennessee.
