**\*\*\*NOTE: ARMED APPLICANTS ONLY:** You do not qualify to obtain an armed registration if you have ever been convicted of a felony or a crime involving domestic violence against a spouse, a live-in partner, or a child.

**6. STATEMENT OF CRIMINAL RECORDS: [ALL APPLICANTS MUST COMPLETE THIS PORTION]**

Tenn. Code Ann. § 62-35-116(a)(1) requires that all applicants provide a statement of all convictions and pending charges of a felony or a misdemeanor in any jurisdiction. Tenn. Code Ann. § 62-35-117(4) requires that persons convicted of any of the following offenses must have completed serving sentence or court ordered probation at least five (5) years prior to making application. Conviction of the following crimes shall disqualify an applicant if the applicant has not completed serving sentence or court ordered probation at least five (5) years prior to making application: Any felony; or any misdemeanor involving shooting a firearm or other weapon, shoplifting, assault and battery or other act of violence against persons or property, crimes involving the sale, manufacture or distribution of controlled substances, drugs or narcotics, theft of property or theft of services. **Tenn. Code Ann. § 62-35-130(a)** states that the Commissioner may deny an application for registration upon finding that the applicant has been convicted by a court of competent jurisdiction of any felony or of a misdemeanor, if the Commissioner finds that such conviction reflects unfavorably on the fitness for such registration.

You must answer the following questions completely. Information you provide may not disqualify you for guard registration. However, all arrests or charges, regardless of disposition, appear on record returns from the Tennessee Bureau of Investigation (TBI) and the Federal Bureau of Investigation (FBI).

**If you answer yes to any of these questions, you are required to provide certified documents of the final court disposition or judgement with this application, including dismissed, suspended or deferred sentences, as well as, a written explanation of the events that surrounded the charges. If the court no longer has these records on file, you must obtain a letter from the judge or court clerk stating so.**

**Be advised:** If you check "no" to any of the following questions regarding arrests or charges and there is an arrest record listed on your TBI or FBI report, your application could be denied for a material misstatement. Misdemeanor citations and charges for "bad checks", cases where you may not have been fingerprinted and booked but were required to pay court costs or fines, are reported to the TBI and FBI as an arrest. These charges must also be disclosed on your application.

**Record Expungements:** If you were told that a charge or arrest would be expunged from your record, and you would not need to report the charge as an arrest, you should verify with the court clerk or your attorney that the

**record was expunged and that you have "no arrest record" for the charge or arrest before completing your application for registration. Failure to report charges or arrests that were not expunged from your record and are still listed on your TBI and/or FBI report could result in the denial of your application for a material misstatement.**
