These tables compare the actual population to the projection model. Thus, whenever the actual population exceeds the projected population, the % difference is interpreted as either exceeding or falling short of the projected population.

**Note:** Projections were updated July 2013.  
Averages are column averages.

\*Beginning in April 2010, Community Supervision figures will be reported as of the fifth working day of the following month (e.g. April 2010 figures are according to May 7, 2010 data).

Population figures on each year-end summary line are monthly averages. Percent change is calculated from the first month of the year to the last month of the year.

Parole statistics are incomplete because all data are not received by TDOC immediately after inmates are paroled. Therefore, the numbers for any given month may be different from the previous month's report.

# FELON POPULATION UPDATE USER'S GUIDE

## Incarcerated Population

**TDOC Backup:** Felons sentenced to TDOC custody and held in local jails while awaiting transfer to a TDOC institution.

**Locally Sentenced:** Convicted felons sentenced to serve their time in a local jail. As felony offenders, these persons are under TDOC jurisdiction.

**Other Convicted Felons:** Convicted felons awaiting sentencing or not yet ready for transfer to TDOC because of other pending charges. Includes technical violators awaiting probable cause/revocation/recission hearing or adjudication of pending charges.

**Convicted Misdemeanants:** Inmates serving time because of a misdemeanor conviction.

**Total Pre-Trial Detainees:** Includes inmates charged with either a felony or a misdemeanor but not yet convicted.

**Others:** Inmates held in local facilities for federal crimes, city ordinances, etc.

**Community Corrections:** A grant program created in 1985 as an alternative to incarceration. Programs are developed based on the individual needs of the area served.

## Admissions

**New Commits:** Refers to any person convicted of a felony sentenced to TDOC, but who is not on probation or parole. This may include persons who had prior incarcerations.

**Violators Returned:** Refers to commitment of felons on technical violations of the conditions of their parole or probation, or community correction terms.

## Releases

**Parole:** Felons originally sentenced to an incarceration period and released to serve the remainder of their sentence under supervision.

**Probation-Community Correction:** Usually non-violent felons sentenced to serve a split sentence; a short jail or prison term and the remainder under state supervision.

## General Notes

**Backup:** All offenders sentenced to TDOC custody are counted as admissions. Some offenders are held in backup at a local jail while awaiting transfer to a TDOC facility. This is due to lack of room for all offenders in TDOC facilities. Offenders in backup can be released for a number of reasons before they are transferred to TDOC. Inmates released from Backup to a TDOC facility are not counted as releases.

**Primary Offense:** As of July 2000, offenses are categorized according to the Tennessee Incident Based Reporting System (TIBRS) which is based on the FBI's National Incident Based Reporting System (NIBRS). This system of reporting is an attempt to standardize categorical offense reporting across criminal justice agencies. For more detail on how TCA code is categorized according to the TIBRS system, see the TBI website at [http://www.tbi.tn.gov/tn\\_crime\\_stats/tibrs\\_reported.shtml](http://www.tbi.tn.gov/tn_crime_stats/tibrs_reported.shtml) or the TDOC Research Brief, "Assessing the Impact of the TIBRS on TDOC Criminal Offense Reporting."
