Southwest	380	197	40.1	86,935
Shelby	484	217	37.7	263,452
Davidson	438	186	28.4	145,226
Knox	422	182	31.7	109,436
Hamilton	402	199	36.5	99,875
Madison	327	183	44.7	33,650
Sullivan	354	185	39.4	49,387

¹ Number of respondents who answered YES, not including females told only during pregnancy.

² Weighted risk is the estimated percentage of adult population who have high blood pressure based on the survey.

³ Population at risk is the estimated population with high blood pressure based on the survey. Note: The sum of regional estimates in this column will not add up to statewide total.

⁴ Statewide estimates include additional survey coverage by cell phone and different weighting methodology.
