## MANDATORY PRACTITIONER PROFILE QUESTIONNAIRE FOR LICENSED HEALTH CARE PROVIDERS

The Health Care Consumer Right-to-Know Act of 1998, T.C.A. §§ 63-51-101, *et seq.*, requires designated licensed health professionals to furnish certain information to the Tennessee Department of Health, and is requested in this questionnaire. Each practitioner who has submitted information must update that information in writing by notifying the Department of Health, within 30 days after the occurrence of an event or an attainment of a status that is required to be reported by the law. A copy of your initial or updated profile will be furnished to you for your review prior to publication. That opportunity will allow you to make corrections, additions and helpful explanatory comments.
