
Charter School Authorizer Policies

The Background:

Pursuant to Public Chapter 850 of the 108th General Assembly, the State Board of Education has become an appellate authorizer for charter schools who make application in an LEA that contains a priority school.

New policies are needed in the areas of mission, authorizing principles, application review, charter agreement, oversight, and autonomy. These policies are in agreement with national standards for authorizing.

The Recommendation:

SBE staff recommends adoption of these items on final reading.
