Memorandum

To: Tennessee Sex Offender Registering Agencies

Date: October 2, 2008

From: Jason Locke, Assistant Special Agent in Charge
Criminal Intelligence Unit / Sex Offender Registry

RE: **Website updates and information**

Both the public Sex Offender Registry Website (www.tbi.state.tn.us) and the TICIC Website (http://www.ticic.state.tn.us/SEX_ofndr/SOR/sor7262004.htm) have been updated and the new TCA Codes regarding Sex Offenders have been posted. There are several new links that will help with your day to day registry operations and you may want to take time to review them all.

Drivers License:

There have been several questions regarding the time period for offenders to obtain their drivers licenses, which are now clear by statute, 55-50-353 (found under the link entitled "Sex Offender Driver License Law"), and 40-39-213 (found under the link entitled "Sex Offender Law"). It appears that the sex offenders receive the license when the license is initially issued or renewed.

SOR Fee / TBI Billing:

I have been informed by TBI Fiscal Services that the agency billing for the SOR fees did not go out for the month of August due to continued work on the billing system. In October, you should receive a combined statement for the months of August and September. Please continue to check these against your own ledgers and let us know if any problems arise.

Training:

Annual Sex Offender Registry training has been completed for all areas of the state. If your agency has additional registry training needs, contact Karrie Stanfill (615-744-4213) karrie.stanfill@state.tn.us or Stephanie Davis (615-744-4063) stephanie.davis@state.tn.us and they will be glad to set up a time to meet with you at TBI HQ in Nashville for 1 on 1 training.

As always, if you have any issues concerning the registry, please contact us at the Registry Hotline: 1-888-837-4170.
