BILL HASLAM
GOVERNOR

TO: Greg Duncan
Assistant Chief Engineer of Operations

FROM: Jim Moore

SUBJECT: **Proprietary Item Request and Justification**

STP-EN-300(29)/ Contract Number 110319/ PIN 114973.00

The Program Development and Scheduling Director requests approval to utilize the following proprietary items in the subject project:

- Acorn Light Fixture (Fixture: Antique Street Lamps Cat.No. A21E-150MGR3-TB3-ANBK)
- Hapco Pole (Pole: Hapco Cat.No. ABS10D4-SFO-74735-006-ANBK-GF1).

Project Description

Downtown Improvements - Phase III
Camden, Benton County
PIN: 114973.00
Federal Project Number: STP-EN-300(29)
Contract Number: 110319

Construction and reconstruction of sidewalks along East Main Street, Church Street, Forrest Avenue and East Lake. Project also includes ADA upgrades, lighting and landscaping.

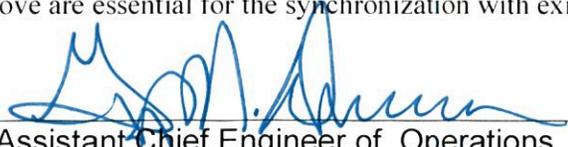

This project is the third phase of the downtown improvements in Camden, Tennessee, Pin No. 114973.00. This project continues the improvements completed in previous phases by addressing the south side of the court square.

Justification

Per the Code of Federal Regulations, 23 CFR 635.411, justification can be made that these items are essential for synchronization with the existing facilities. This product is necessary to match the visual appearance of the existing pedestrian light fixtures already established on the court square.

If you have any questions or comments, please contact Neil Hansen, Enhancement Coordinator, at neil.hansen@tn.gov.

I, Jim Moore, Program Development and Scheduling Division Director of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that the patented or proprietary items listed above are essential for the synchronization with existing facilities.

Nashville, TN 37243

Re: Proprietary Item Request and Justification
Downtown Enhancement Project Phase III
TDOT Pin No. 114973.00, TLM Project No. J-5038

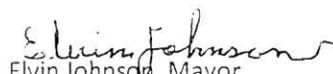

Dear Ms. Sullivan:

The City of Camden is requesting a certification to specify the Acorn Light Fixture (Fixture: Antique Street Lamps Cat.No. A21E-150MGR3-TB3-ANBK) & (Pole: Hapco Cat.No. ABS10D4-SFO-74735-006-ANBK-GFI) to be used in the pedestrian lighting component of the Downtown Enhancement Phase III Project.

The city has already completed two phases of the downtown enhancement project that included the installation of the Acorn Light Fixture for pedestrian lighting on two sides of the court square. This is the final phase of the Downtown Enhancement project that will focus on the court square. Continuing with the Acorn Light Fixture and Hapco Pole is essential for synchronization with the existing facilities. This product is necessary to match the visual appearance of the existing pedestrian light fixtures already established on the court square.

If you have any questions or require additional information, please do not hesitate to contact me at (731) 584-4656.

Sincerely,

Elvin Johnson, Mayor
City of Camden
