JOHN C. SCHROER
COMMISSIONER

BILL HASLAM
GOVERNOR

TO: Greg Duncan
Assistant Chief Engineer of Operations

JM FROM: Jim Moore
Director Program Development Division

SUBJECT: **Proprietary Item Request and Justification**

TAP-9402(16) / 140120 / PIN: 119925.00

Jim Moore requests approval to utilize the following proprietary items in the subject project:

- DuMor, Inc. Bench (Model No. 166-60PL.)
- DuMor, Inc. Trash Receptacle (Model No. 44-22PL.)
- Sternberg Pedestrian Light (Model No. 9930H/3693HPM/8614FP5/BCC/150HPS 120V MED/RO5/PEC/FHC/I-LP-GFI/IUC/I-DBA/FH5/CA/BCC/BK Type P)

Project Description

The Phase II and Phase III projects are a continuation of the Brownsville 2013 STP (Pin No. 116667.00) project currently under construction.

Justification

Base the justification on the reasons given in the Code of Federal Regulations, 23 CFR 635.411 which can be found in the Plans Preparation Manual, Division 7.

The benches, trash receptacles, and pedestrian light are essential for synchronization with the existing facilities.

If you have any questions or comments, please contact Lisa Dunn at 615-253-2684 or via email at lisa.dunn@tn.gov.

I, Jim Moore, Division Director, of the Tennessee Department of Transportation, do hereby certify that in accordance with the requirements of 23 CFR 635.411(a) (2) that patented or proprietary items(s) listed above are essential for the synchronization with the existing facilities within the area.

(1) This patented or proprietary item(s) listed above is essential for the synchronization with existing facilities.

Re: Proprietary Item Request and Justification
Brownsville TA Phase II | TDOT Pin No. 116773.01, TLM Project No. J5170
Brownsville TA Phase III | TDOT Pin No. Pin No. 119925.00, TLM Project No.
J-5476

Dear Ms. Sullivan:

The City of Brownsville is requesting a certification to specify the DuMor, Inc. Bench (Model # 166-60PI), DuMor, Inc. Trash Receptacle (Model # 44-22PL), and the Sternberg Pedestrian Light (Model # 9930H/3693HPM/8614FP5/BCC/150HP 120V MED/RO5/PEC/FHC/1-LP-GFI/IUC/1-DBA/FH5/CA/BCC/BK Type P) to be used as part of the design component for the Downtown Enhancement Project Phases II and III.

The benches, trash receptacles, and lights are being used in the current STP project that is under construction, which is directly connected to the TA Phase II and Phase III projects. Continuing with the DuMor, Inc. Bench and Trash Receptacle and the Sternberg Pedestrian Lights is essential for synchronization with the existing facilities. These products are necessary to match the visual appearance of the existing benches, trash receptacles, and lights.

If you have any questions or require additional information, please do not hesitate to contact me at (731) 983-5000.

Sincerely,

William D. Rawls, Jr. Mayor
City of Brownsville

VICE MAYOR: LEON KING · ALDERMEN: JOHN SIMMONS · CAROLYN FLAGG · THOMAS AVERYHEART
