To all Oversize/Overweight haulers and Permit Agencies:

In an effort to improve customer service and customer contact the Tennessee Oversize & Overweight Department will no longer utilize the fax machine. While this method of transmitting information has been utilized for years it is no longer an efficient or effective method of communication. We have several methods by which you can transmit information to better ensure we receive your communication and allow for a timely and traceable response.

EFFECTIVE 5/1/16: FAX# 615-741-8993 will no longer be operational for the Oversize & Overweight Department. If you have other fax numbers those will be inoperable as well.

COMMUNICATION METHOD:
