

## ***Mission***

To provide a safe and reliable transportation system for people, goods and services that supports economic prosperity in Tennessee

## ***Vision***

To serve the public by providing the best multimodal transportation system in the nation.

## ***Guiding Principles***

Professional

Innovative

Efficient

Responsible

Communicate

Expeditious

## ***Operational Goals***

### **SYSTEM PRESERVATION**

***Maintain the state transportation system to protect the long term investment in our infrastructure assets***

### **PROJECT DELIVERY**

***Deliver transportation projects on schedule and within budget***

### **SYSTEM OPERATION**

***Operate and manage Tennessee's transportation system to provide a high level of safety and service for our customers and workers***

### **MOBILITY AND ACCESS**

***Expand mobility choices to maximize access***

## ***Strategic Initiatives***

***Dramatically change the paradigm for delivery of transportation products and service to improve efficiency and effectiveness of Tennessee's transportation network.***

- Consolidate construction and maintenance field operations and increase core competencies
- Improve project development process and plans quality
- Develop a fiscally constrained 25-Year Long-range Transportation Plan
