

Please join us for a panel discussion on School Choice!

Justin Owen, CEO of the Beacon Center, Stephanie Linn, with The Friedman Foundation, and Mark Gill, with Tennessee Federation for Children, will all be speaking on the advantages of providing Opportunity Scholarships to Tennessee families, and the effects it will have on the state. This event is a chance for you to learn more about an important educational issue that is currently being debated in the General Assembly, and also present a time for you to ask any questions you might have.

If you want to be on the forefront of one of the most important issues in the state, then please don't miss this discussion. I hope you will be able to attend!
