

Droid Free Map App Download Instructions

- 1) Go to Google Play Store (or where you download your apps).
- 2) Search for **ArcGIS**. Click **Install**, then **Accept & Download** for free.
- 3) Click on the **Open** button in the ArcGIS App.
- 4) On the Find Maps page of ArcGIS Online, click the **Magnifying glass** and search for **TWRA Hunttable Lands**

Tap here. Do not click on ArcGIS Online.

- 5) Click on the small map image to view the map.

Droid Free Map App Usage Instructions

The following is an explanation of the buttons on an iOS device:

Go back to the main map index page.

Tools such as measuring distance or area.

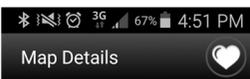

Search for a location (such as Dayton, TN).

Zoom to your current GPS location.

Use the phone's Menu button to find more information about the map; including the Legend, Map Contents (where you can change the background base map i.e. **Streets** or **Topo**, and Map Details, such as the map description, rating, owner and the Favorites icon.

Clicking on the heart adds the map to My Favorites on the home screen

From any of these screens, choose the phone's **back** button to return back to the map.
