Grade 2: Lesson 6 Retelling Rumpelstiltskin

Rumpelstiltskin

A poor woman met a queen. The woman said, "My daughter can make straw into gold! My daughter will be a princess!"

The queen said, "Show me, and she can marry my son. My son is a prince."

The woman and her daughter came to the castle. "Make this straw into gold!" the queen said.

The girl was sad. "I cannot make gold!" "I will help," said a little man. "But one day you must give me your child."

The queen saw the gold. "You will marry the prince! You will be his princess." The prince and princess were happy. They had a child.

Then the little man came back. "Give me your child!" he said. "No! Do not take my child!" said the princess. "Then you must find my name," said the little man.

The princess looked and looked. Then she saw the man's name! She ran home. The little man came back again. "Hello, Rumpelstiltskin!" said the princess.

Use your note taker to retell the fairy tale *Rumpelstiltskin* in your own words. Be sure to use complete sentences and transition words. When you finish, go back and add an illustration of your favorite part.
