| Mid-Cumberland  | 64         | 9.8         |
| North East  | 98         | 15.0        |
| Shelby  | 22         | 3.4         |
| South Central   | 28         | 4.3         |
| South East  | 18         | 2.8         |
| Sullivan  | 54         | 8.2         |
| Upper Cumberland  | 67         | 10.2        |
| West  | 20         | 3.1         |
| Total   | 655        | 100.3       |

| Source of Maternal Substance (if known) <sup>2</sup>     | #<br>Cases³ | %<br>Cases |
|--|-------------|------------|
| Supervised replacement therapy                           | 401         | 61.2       |
| Supervised pain therapy                                  | 73          | 11.2       |
| Therapy for psychiatric or neurological condition        | 52          | 7.9        |
| Prescription substance obtained WITHOUT a prescription   | 222         | 33.9       |
| Non-prescription substance                               | 144         | 22.0       |
| No known exposure but clinical signs consistent with NAS | 4           | 0.6        |
| No response  | 12          | 1.8        |

- 1. Summary reports are archived weekly at: <a href="http://tn.gov/health/article/nas-summary-archive">http://tn.gov/health/article/nas-summary-archive</a>
- 2. 2. Total percentage may not equal 100.0% due to rounding.
- 3. Multiple maternal substances may be reported; therefore the total number of cases in this table may not match the total number of cases reported.
