

# Tennessee WIC Shopper App Updates 04/2023

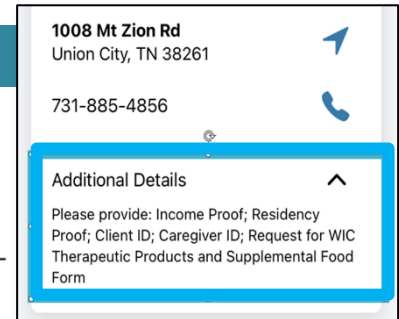

## Appointment Type(s)

Now you will see the appointment type in My Appointment.

## Additional Details

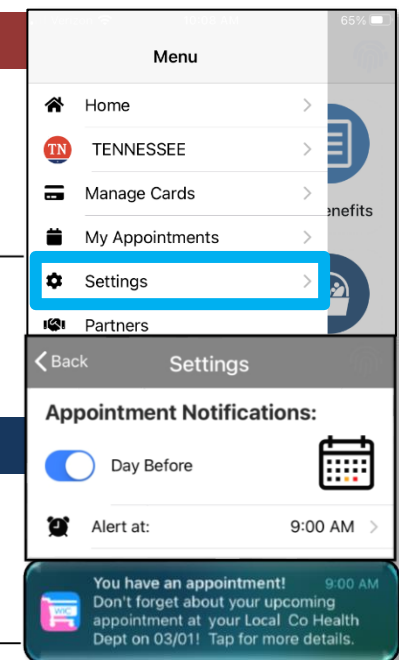

My Appointments will show you what items to provide for your appointment.

## Turn-On Notifications

Remember to turn on notifications so you'll get a message about your appointment.

[WICShopper – Menu – Settings – Appointment Notification]

## Notification Reminders

Notifications appear on a mobile device as small pop-up messages that show up on the screen.

## Download the WICShopper App today!

It's easy to use! Just scan the QR code with your phone or go to the website [tn.gov/WICShopper](http://tn.gov/WICShopper).
