Dear Mr. McIntyre and Mr. Perry:

RE: TENNESSEE CODE ANNOTATED § 46-4-103(C)(1)(B) – FILING OF NOTICE RE: SIX CEMETERIES – TENNESSEE VALLEY AUTHORITY’S (TVA) GALLATIN FOSSIL PLANT – SUMNER COUNTY, TENNESSEE

TVA has commenced an action in the U.S. District Court for the Middle District of Tennessee to condemn a 0.005-acre cemetery and cemetery, burial, and access rights with respect to six cemeteries within the reservation boundary of TVA’s Gallatin Fossil Plant in Sumner County, Tennessee. The six cemeteries have not been in use for several decades, and are therefore considered abandoned.

The six cemeteries, and their approximate age, ¹ if known, are below:

Unknown Cemetery (40SU265)	Age Unknown
McCrary or McCreary Cemetery (40SU266)	1905-1914
Franklin Cemetery (40SU267)	Age Unknown
Bailey Cemetery (40SU271)	ca. 1920
Odom/Hudson Cemetery (40U275)	ca. 1901-1953
Unnamed No. 10 Cemetery (40SU348)	Age Unknown

In addition to acquiring property rights relative to these six cemeteries, TVA will seek an order from the federal district court allowing it to relocate the graves in the cemeteries to suitable reinterment location(s).

¹ The approximate age of three of the cemeteries is unknown due to the presence of unmarked graves and illegible inscriptions on headstones and/or lack of records relating to the cemeteries. For the remaining cemeteries, the approximate age is estimated by a review of legible headstones and available records.

Mr. McIntyre and Mr. Perry

As a federal agency, TVA is not required to comply with state cemetery relocation laws generally; however, due to the sensitive nature of grave relocation, TVA is voluntarily following the spirit and intent of those state laws. Accordingly, pursuant to Tenn. Code Ann. § 46-4-103(c)(1)(B), TVA hereby gives notice to the Commission that on March 23, 2021, TVA filed a complaint in federal district court initiating the above-described condemnation action. An exact copy of the Complaint, the Declaration of Taking, and the Notice of Condemnation are attached hereto as Attachment 1. TVA previously published a notice of intent to relocate cemeteries in the Gallatin News pursuant to Tenn. Code Ann. § 46-8-103(c). A copy of that notice is attached hereto as Attachment 2.

In July 2020, TVA executed a Memorandum of Agreement (MOA) with your office regarding the proposed cemetery relocations (“Memorandum of Agreement Between the Tennessee Valley Authority and the Tennessee State Historic Preservation Officer Regarding the Gallatin Fossil Plant, Surface Impoundments Closure and Landfill Expansion Project, Proposed Cemetery Relocations, Sumner County, Tennessee”). The MOA stipulates how TVA will identify cemeteries affected by the project, research the history of the cemeteries, engage members of the local community, identify and design a relocation cemetery, disinter graves, evaluate the cemeteries’ possible eligibility for inclusion in the National Register of Historic Places (NRHP), mitigate adverse effects on any NRHP-eligible cemeteries, and reinter the remains.

General information regarding TVA’s relocation plan is published to TVA’s governmental website at <https://www.tva.com/environment/environmental-stewardship/coal-combustion-residuals/gallatin/gallatin-cemetery-relocation> (last visited April 1, 2021).

TVA will supplement this notice with a copy of TVA’s motion to disinter, relocate and reinter at suitable alternate location(s) the graves in these six cemeteries once that motion is filed with the federal district court.

Please let me know whether you require any additional information and I will be happy to provide it.

Thank you for your assistance.

Sincerely,

Clinton E. Jones

Cultural Compliance

COMPLAINT

1. This is an action of a civil nature brought by the United States of America upon the relation and for the use of the Tennessee Valley Authority (“TVA”) for the taking of property under the power of eminent domain and for the ascertainment and award of just compensation to the owners and parties in interest.

2. The authority for the taking is the Tennessee Valley Authority Act of 1933, *as amended*, 16 U.S.C. §§ 831-831ee (2012).

3. The public use for which the property is taken is for the operation and maintenance of electrical power generation facilities including, but not limited to, the Gallatin Ash Pond Closure and Restoration Project.

4. The property interests to be acquired in this action are a fee simple interest with respect to a 0.005-acre cemetery (“McCreary Cemetery fee”) and cemetery, burial and access rights (collectively “cemetery rights”) with respect to six cemeteries within the reservation

boundary of TVA's Gallatin Fossil Plant in Sumner County, Tennessee. TVA, in addition to acquiring the McCreary Cemetery fee and cemetery rights, seeks an order allowing it to relocate the graves in the six cemeteries to suitable reinterment location(s). General information regarding this relocation plan is published to TVA's governmental website at <https://www.tva.com/environment/environmental-stewardship/coal-combustion-residuals/gallatin/gallatin-cemetery-relocation> (last visited March 22, 2021).

5. The property rights herein condemned and legal descriptions for the tracts of land effected thereby are described in Attachment 1 and incorporated by reference. The six cemeteries listed in Attachment 1 and elsewhere in this pleading are identified as:

McCreary Cemetery

Franklin Cemetery

Unknown Cemetery

Bailey Cemetery

Unknown No. 10 Cemetery

Odom/Hudson Cemetery

6. The persons known to Plaintiff who have or may claim an interest in the McCreary Cemetery are listed on Attachment 2 and incorporated by reference.

7. The persons known to Plaintiff who have or may claim an interest in the Franklin Cemetery are listed on Attachment 3 and incorporated by reference.

8. The persons known to Plaintiff who have or may claim an interest in the Unknown Cemetery are listed on Attachment 4 and incorporated by reference.

9. The persons known to Plaintiff who have or may claim an interest in the Bailey Cemetery are listed on Attachment 5 and incorporated by reference.

10. The persons known to Plaintiff who have or may claim an interest in the Unknown No. 10 Cemetery are listed on Attachment 6 and incorporated by reference.

11. The persons known to Plaintiff who have or may claim an interest in the Odom/Hudson Cemetery are listed on Attachment 7 and incorporated by reference.

12. The identity of many of the individuals buried in these cemeteries and the identity of many of the heirs of the buried individuals is not known, and there may be other persons who may have or claim an interest in the property rights herein condemned who could not be ascertained after a reasonably diligent search. These individuals are joined as parties under the designation Unknown Owners.

13. A Declaration of Taking is being filed contemporaneously herewith.

WHEREFORE, the Plaintiff demands that:

(1) An Order be issued putting the Tennessee Valley Authority as agent of the United States of America into immediate possession of the property condemned.

(2) Just compensation for the property taken be ascertained in accordance with Rule 71.1(h) of the Federal Rules of Civil Procedure.

(3) A Judgment be entered confirming the vesting of title to the interests sought to be condemned in the United States of America by virtue of the Declaration of Taking filed herewith.

(4) An Order be entered permitting the removal and reinternment of the remains buried in the six cemeteries located on the tracts of land effected by the property interests herein condemned by virtue of the Declaration of Taking filed herewith.

(5) The Plaintiff have such other relief as may be lawful and proper.

Respectfully submitted,

DECLARATION OF TAKING

The Tennessee Valley Authority, the authority empowered by law to acquire in the name of the United States of America the property described in the Complaint of similar title filed in this Court, hereby files this Declaration of Taking pursuant to 40 U.S.C. §§ 3114-3118 (2012) and declares that said property is hereby taken for the use of the United States of America acting by and through its agent, the Tennessee Valley Authority (“TVA”), and further declares that:

1. The property interests taken in this action are a fee simple interest with respect to a 0.005-acre cemetery (“McCreary Cemetery fee”) and cemetery, burial and access rights (collectively “cemetery rights”) with respect to six cemeteries in Sumner County, Tennessee. The property rights herein condemned and legal descriptions for the tracts of land effected thereby are described in Attachment 1 hereto attached and made a part of.

2. Forty Thousand Dollars (\$40,000) is the amount estimated by TVA to be just and liberal compensation for the property rights taken in this action with respect to the McCreary Cemetery fee. Six Dollars (\$6) is the amount estimated by TVA to be just and liberal compensation for the cemetery rights as TVA intends to provide replacement rights of equal or greater value at suitable reinterment location(s). These amounts will be tendered into Court for the use of the persons entitled thereto.

3. Maps showing the location of the property rights taken are attached as Attachment 2.

4. The authority under which the property interest is taken is the Tennessee Valley Authority Act of 1933, *as amended*, 16 U.S.C. §§ 831-831ee (2012).

5. The public use for which the property interest is taken is for the operation and maintenance of electrical power generation facilities including, but not limited to, the Gallatin Ash Pond Closure and Restoration Project.

6. TVA is of the opinion that the ultimate award probably will be within any limits prescribed by Congress on the price to be paid.

TENNESSEE VALLEY AUTHORITY

Respectfully submitted,

NOTICE OF CONDEMNATION

Pursuant to Federal Rule of Civil Procedure 71.1(d)(2), you are hereby notified that the United States of America upon the relation and for the use of the Tennessee Valley Authority (“TVA”) has commenced an action in the United States District Court for the Middle District of Tennessee to condemn the following property rights in which you have or may claim an interest: a fee simple interest with respect to a 0.005-acre cemetery (“McCreary Cemetery fee”) and cemetery, burial and access rights (collectively “cemetery rights”) with respect to six cemeteries within the reservation boundary of TVA’s Gallatin Fossil Plant in Sumner County, Tennessee.

TVA, in addition to acquiring the McCreary Cemetery fee and cemetery rights, seeks an order allowing it to relocate the graves in the cemeteries to suitable reinterment location(s). General information regarding this relocation plan is published to TVA's governmental website at <https://www.tva.com/environment/environmental-stewardship/coal-combustion-residuals/gallatin/gallatin-cemetery-relocation> (last visited March 22, 2021).

The property rights condemned in which you have or may claim an interest and the legal descriptions for the tracts of land effected thereby are described in Attachment 1 hereto and made a part hereof:

- McCreary Cemetery
- Franklin Cemetery
- Unknown Cemetery
- Bailey Cemetery
- Unknown No. 10 Cemetery
- Odom/Hudson Cemetery

The public use for which the property is taken is for the operation and maintenance of electrical power generation facilities including, but not limited to, the Gallatin Ash Pond Closure and Restoration Project.
